### **Incest Is Best 3**

Megan sat there in a lounge chair naked in all of her pregnant splendor. She suggested that Jack take everyone on a tour of the lake.

Jack said he thought that was a marvelous idea. Jack asked Devin if he wanted to go wakeboarding.

Devin grinned and said that would be great.

Bruce said he was going to hang out with Megan and have a drink.

Everybody slipped on a pair of shorts and a t-shirt. Jack led them down to the dock. Jack's 23 foot Super Air Nautique was in the boat lift in the boat house. As Jack lowered the boat into the lake, Devin grabbed his favorite Liquid Force wakeboard and set it on the ski platform.

Jerri could not take her eyes off of Devin. His lean muscular body moved easily around the boat. Jerri felt her juices begin to flow as she stared at the half naked boy. Devin turned and asked Nicky to toss him a beach towel off the dock. Jerri watched as Devin attached the ski rope and set the coiled

rope on the ski platform. Devin steadied the boat as Jack lowered it into the lake.

Jack helped everyone aboard and positioned where they sat to balance the load in the boat. Jack started the engine as Devin stood on the ski platform and helped fend the boat off the dock as it reversed out of the slip. As Jack reversed out of the boathouse he watched the bow clear the last post. He eased the boat into neutral and allowed the boat to drift backward for a few moments. The lake was still...not a breath of air. Then Jack eased the gear lever/throttle into forward.

Jack glanced in the rear view mirror and saw that Devin was getting his bindings adjusted. Jack played tour guide explained to everyone that the farm property was on both sides of the finger of the lake they were in. He explained that the property runs about a mile and he pointed down the finger of the lake.

Ted noticed that other than a couple of fishing boats, no other boats were visible. Jack explained that it was a huge lake...almost 100 miles long. Jack glanced in the rear view mirror in time to see Devin toss his nylon running shorts onto the deck of the boat

Devin sat down on the ski platform and pulled on the bindings on each of his feet so that he was firmly attached to his wake board. Devin grabbed the coiled ski rope and tossed it in the lake keeping the handle in his left hand. Devin eased off the ski platform as he waved to Jack with his right hand.

Jack was heard to mumble...damn brat!

Ted asked what was wrong. Jack used his thumb to point over his shoulder at Devin and said, our little nudist is in the water completely naked...including no ski vest...I hate that because he is quite the dare devil.

Ted asked what the instrument was on the dash. Jack explained that it was Zero Off GPS that adjusts the speed of the boat perfectly to Devin's planned run.

Devin yelled "hit it!"

Jack shoved the throttle forward and the beautiful naked 12 year old popped up out of the water. Jack used the HydraGate to bring the boat to a plane quickly and adjust the shape of the wake to Devin's satisfaction.

Devin's body was magnificent wet with his dangling 3" member flaccid and blowing in the wind. Devin gave Jack hand signals until the shape of the wake was perfect.

Devin swung out of the wake in what appeared to be a lazy fashion. He did a couple of quick wake jumps to loosen up his muscles. Jerri watched as the beautiful 12 year old flew through the air with a majestic granite wall on the shore as a backdrop. Devin started doing some relatively simple front flips while he was airborne. Jerri was sure every time he did a trick it could not get more complicated. His body flipped forward and backward as he soared through the air over the wake. He would then spin his body 180 degrees and then 360 degrees as he sailed effortlessly through the air. Devin did all sorts of combinations grabbing the edge of the board and spinning 720 degrees and landing blind. It was breathtaking to watch.

They went by a fishing boat with 2 teen boys. The boys could not take their eyes off of Devin flying through the air naked. Jack went further down the lake and saw another boat coming toward them rapidly and decided that it was better if he turned for home. As the boat raced down the lake toward them, Jack was concerned that they might gross somebody out with Devin's naked antics.

Jack's attention was focused on driving the boat, avoiding the fishing boat they had passed earlier and keeping track of Devin. The boat that was following them moved off beside them and out of the rear view mirror.

Ted touched Jack's shoulder and said, Jack I think we have a problem.

Jack glanced over and saw the flashing red lights on top of the boat that had been following them. Jack waited until Devin landed his trick and then pulled back the throttle. Devin's beautiful naked body sunk slowly into the lake. Devin released his bindings and then pushed the wakeboard toward the ski platform on the stern of the boat.

Jack looked at the side of the police boat and said oh shit it's the feds. On the side of the boat it said United States Park Service. Jack realized that he

had taken Devin into the national park that abuts their property. And they were chased by a US Forrest Ranger. Jack wondered if skinny skiing was a federal offense.

The Ranger pulled along side Jack when he saw that Devin was safely aboard. Devin stood up stark naked and pulled back his shaggy white blond hair out of his eyes.

The Park Ranger secured his boat to Jack's and requested permission to come aboard.

Jack gave his consent and watched as the dark hair 6'3" Ranger eased himself aboard.

Devin walked through the open transom from the ski platform and made no effort to hide his nudity. The 5'4" blond boy looked up at the much taller Ranger and said, hi...my name is Devin.

Devin watched the reaction from the Ranger. He saw that the guy who appeared to be in his late 20s could not take his eyes off of his sexy body. Devin reached down and adjusted his flaccid 3" penis and his hairless scrotum.

Devin's eyes slowly panned up the Ranger's body. He saw that the man had thick curly hair on his legs. When he got to the zipper he saw a large bulge that was not there earlier.

He looked up in the Ranger's deep brown eyes as Devin continued to fondle his penis and scrotum.

The Ranger kept his eyes on Devin as he asked the boy, you realize that it is a serious offense to be exhibiting your naked body on federal property.

Devin grinned at the Ranger as he cupped his scrotum and penis and said, well I am sorry about that...but it just feels good to air them out...you know what I mean? Devin asked this with a devilish grin on his face.

Jack thought he was going to faint.

What Jack and everyone else could not see was the outline of the full erection in the Ranger's shorts. The Ranger looked sternly at Devin and told him that his father could go to jail for allowing him to skinny ski on federal property.

Devin looked at the Ranger and said he was sorry with his eyes downcast. He looked up at the big man and said as his hand reached out to the Ranger's erection that it sure looked like he was enjoying the view. Devin's wet fingers clutched the large lust swollen member through the Ranger's shorts.

Devin looked up at the Ranger and said, dude you are huge. As one hand explored the stiffness the other hand lowered the Ranger's zipper. Devin quickly popped the button on the shorts. The weight of all of the things clipped to the Ranger's belt made the shorts fall to the deck with a thud. The Ranger was momentarily speechless and that gave Devin just enough time to pull down the front of the Hilfiger Boxer Briefs. Oh God Jack his cock is so cool.

The Ranger's member was surrounded by a thick thatch of black curly hair. The shaft was about 8" long and 2 inches wide. A beautiful foreskin covered the flared head. The shaft throbbed with the man's hear beats. Devin watched as a thick clear glob of precum escaped the foreskin. Devin bent and lick the nectar up.

Oh man...you taste good too, Devin told him. The Ranger decided that he could live with being fired and arrested for molesting the boy but he just could not stop this. Devin pulled back the foreskin to reveal a magnificent glans and a corona around the head of his penis that was incredibly hard.

Devin stuffed his mouth with the huge head of the Ranger's penis. The Ranger groaned and his knees felt weak as the boy's hot tongue pleased him. It was just short of a miracle that his member did not erupt at the touch of the beautiful tongue. The Ranger decided that life could not get better than this moment.

Jerri leaned around the Ranger to see this awesome rod that Devin was so impressed with. The moment she saw it her jaw went slack. It was everything Devin said and more. Jerri moved around and elbowed Devin out of the way. Dude you gotta share. The two magnificent blond kids were

licking opposite sides of his shaft. Jerri paused for a moment and called her twin Benny to join them.

As Benny got his first look he was astounded. Benny looked up at the Ranger and said, whoa dude...that rocks! Benny bent forward and took the entire head in his mouth and began to bob his head and pleasure it with his tongue. Devin and Jerri kept licking the sides of the huge shaft. Devin stopped them and told them they had to get naked too.

The Ranger watched as the 12 year old blond twins began to slip off their t-shirts. The Ranger saw Jerri's beautiful breast buds. Then as they pulled their shorts down, the Ranger noticed that their tiny bit of pubic hair was as blond as the hair on their head. The kids returned their attention to the magnificent member. The breeze blowing off the lake caused the kids to have goose bumps and that only inflamed the Ranger's passion. He stroked Jerri and Devin's blond heads as Benny's attention to his glans and corona drove the Ranger toward an inevitable conclusion. The Ranger felt the incredible tension build in his loins. Jerri felt the Ranger's heavy testicles draw up. The seed filled orbs were huge. The Ranger began to moan as jolts of pleasure shot through his body. The tension in his loins built to the point it was painful. The he cascaded past the point of no return.

He took Benny's head with both hands and thrust his thick member into Benny's throat choking the boy with the huge jets of hot semen that erupted from the Ranger's massive member. Benny managed to pull off the erupting rod and his face was hosed with jet after jet of thick hot man seed.

Jack watched in awe as the thick man root continued to spray the boy with hot semen. He had never seen anyone ejaculate this much semen. It had to be a cup full. The Ranger turned and gave Devin a face full and then Devin situated his lips so that he could take a sip of seed from the fire hose. Jerri grabbed the man member from Devin and took the next shot full in the face and felt the thick hot semen run down her chest and over her breast buds. Jerri's lips clamped down on the ejaculating member and she got a mouth full of hot seed. Devin and Benny kissed and shared the man seed as the Ranger turned back toward them and shot another volley of hot seed all over their blond heads.

The Ranger gasped for breath as he looked down at his ruined shorts. It was then that he realized the trouble he was in.

He looked over and saw the boys in the fishing boat holding on to Jack's boat as their teen members exploded hot boy seed all over Jack's carpet. The Ranger turned to see Jack masturbating through the end of his orgasm and Ted sucking his father.

The Ranger wasn't sure about what kind of weird shit he had wandered into, but he thought he might get through this without going to jail.

Jack didn't ask, he just told the Ranger to follow him back to the house.

The Ranger climbed into his boat...or the federal government's boat...and drove toward Jack's dock. As Jack pulled into the boat lift, the three naked blond kids dove in the lake to rinse off the massive explosion of Ranger semen.

Jack helped everybody up on the dock and was holding the semen soaked uniform shorts of the Ranger. He put his hand on the semen stained shirt and suggested that the Ranger give him the shirt. He saw the name Paul Jacobsen on the name tag and introduced himself. I think you are crazy enough to blend in here. What time do you have to report back this evening?

I am doing a wild life survey in the morning and I was camping out at the starting point tonight. Well you will be staying here. Jack called out to Bruce Thompson the world famous photographer. He introduced Bruce and Paul. Bruce could not take his eyes off of Paul's magnificent member. Paul felt very self conscious standing naked in front of this handsome man. Bruce told Paul he was a photographer. He studied Paul's body which only made Paul more uncomfortable.

You have a magnificent body. Bruce told Paul.

And this...this is awesome. Bruce told Paul as he fondled his flaccid member. I cannot wait to see this fully erect. Let me fix you a drink. Bruce put his arm over Paul's naked shoulder and led him to the bar.

Jack, Ted and Tom fixed a dinner of steaks, corn on the cob and sliced fresh tomatoes. Jack found some wonderful fresh baked rolls at the bakery in town and a quart of homemade strawberry preserves.

He called everybody to the table on the patio that seated 20 when necessary. Jack asked the Lord's blessing on the food and they started to eat. Ranger Paul could barely eat. Most of the people sitting around the table were naked.

Paul studied all of the sexy bodies. He told Jack he was bisexual and could not wait to meet the 17 year old boy at the other end of the table. He would do anything to have a chance to suck that beautiful kid. He also wanted to suck the beautiful blond boy that first took his load on the boat...Benny. What a magnificent looking boy.

Jerri sat beside Devin during dinner and Ben sat on the other side of the table. Jerri whispered to Devin that she thought he was the sexiest boy she had ever seen. Devin grinned at her shyly and his boy member responded to Jerri by standing straight up. Jerri lightly caressed Devin's erection. It was her turn to look at Devin shyly.

Devin....I...um...was serious about wanting...you know...your baby. I would love it if you would fill me with your baby seed. Jerri lifted her bare foot and put it in her brother's lap. Jerri kissed Devin and told him that Benny was excited about the idea too. As Jerri said this she massaged her twin brother's erection with her toes. Gracie was sitting next to Ben and watched her granddaughter's toes stimulate Benny's erection. Gracie shook her head at the sex play of her grandchildren.

Devin took Jerri in his strong arms and kissed her tenderly. I would love to give you my baby, he told her.

Jack told the kids it was time to eat. Jerri could not keep her eyes off of Devin. And Devin kept touching Jerri. She looked at him and told him she thought it would be a beautiful blond boy that looks just like you.

Devin smiled and squeezed her hand.

They started passing plates of food around the table. First the steaks were passed and then the corn on the cob. The sliced tomatoes were passed next and then they sent awesome fresh baked rolls around the table. The fresh baked rolls were served with homemade strawberry jam. Jerri looked over at Devin as she scooped up an extra large helping of the strawberry jam.

Everyone enjoyed the dinner. Devin asked Gracie to tell the story about how Ted inseminated her when he was 12.

Gracie smiled fondly at Devin and told him it was a wonderful time for them. Ted slept with them most nights and they both loved the way he loved to snuggle with them. Gracie said she started having Teddy rub his boy boner against her sex when he was four. She loved to feel his hardness slip into her special place. Teddy watched Tom pleasure me orally and when he was 5 he wanted to help his daddy give me pleasure.

Teddy loved to suck on his father's penis the first thing in the morning. It almost always resulted in Tom having an explosive climax in Teddy's mouth. As Teddy grew he became an awesome lover.

From the time he was a little boy, we were able to bring him to powerful dry orgasms. Tom and Teddy were pleasuring each other one morning when Teddy had his first wet orgasm. He was almost 12.

The moment that Tom told me that Ted squirted his seed; I knew I wanted Teddy to fill me with his baby. I thought about it for a few weeks and then I told Tom what I was thinking about. I was astounded at how excited Tom was about the idea of our son inseminating me.

That night we were having dinner when Tom asked Ted if he would like to give me a baby. Ted jumped up and hugged Tom and me.

Tom kissed and hugged me. He asked me when my cycle would start next.

I kissed him back and told him that I would start my menses the next day. We made love that night and Tom noticed that my cycle had started. We agreed from then on that either Ted or I would pleasure Tom orally and anally until Ted impregnated me.

When my period ended, I fixed a special dinner. Tom and I took Teddy to bed after dinner and I let Teddy strip me naked. Then Tom and I slipped off Teddy's jeans and t-shirt. It left our beautiful blond boy completely naked. Teddy got on his knees and he began to pleasure me orally. Knowing what was ahead, I was so excited. I climaxed almost immediately. I lifted Teddy

up and held him tight against me. We stretched out on the bed and my fingers danced over his naked boy flesh.

Teddy had pink dime size nipples that were rock hard. I licked them and flicked them with my tongue. I lightly touched his beautiful boy member. It was a 4" slender tube of beautiful boy flesh. The skin was pale white on the shaft and the glans and corona were a beautiful deep shade of pink. Teddy had a few curly strands of blond pubic hair. I lightly stroked his beautiful member and he gasped at the contact. It was clear that my boy child had a hair trigger. I did not want to waste his seed so I reclined beside him and kissed his chest and nuzzled his beautiful arm pits. They were so sexy with their few tiny strands of hair.

I pulled my baby boy on top of me and it was my turn to gasp when I felt his boy member penetrate my sex. I wrapped my legs around him as if I thought he might try to escape before I captured his essence.

Teddy whispered in my ear how much he loved me and how excited he was about giving me his baby. I could feel his heart racing against my chest. I knew it would only be moments before my boy child's lust would cause him to seed me.

I held Teddy tight and told him I loved him more than he could possibly imagine. I told him, Teddy push deep inside mama and give me your boy seed.

He cried out as he thrust his member forward and I felt the jets of hot boy semen flood into my sex.

Oh mama, he cried...so sorry...could not wait. He gasped as his boy member ejaculated his seed into my fertile sex.

I held him close and told him it was wonderful...your seed begins its journey.

Teddy began to suck my nipple and I stroked his hair. Tom groaned as his hot semen ejaculated all over Teddy and me. Tommy held the two of us tight to us and told us how beautiful it was to watch us. Teddy remained in me and Tom began to finger the boy and massage his prostate.

Soon Teddy was thrusting boldly and my clitoris was on fire. I had a fabulous orgasm right before Teddy ejaculated again. He was wet with perspiration and I hugged him tight in the afterglow.

The next morning Teddy was rock hard when he woke up. Tom stimulated me orally and I was aching for Teddy's boy member. As Teddy entered me, I watched Tom lube his member and I knew we would be joined as one.

Teddy gasped when his daddy entered him. It was an awesome thing to be joined as one as my son worked to fill my belly with his child. Teddy gasped as his father's large member entered his 12 year old boy sex.

Tom was so very turned on by the situation that he began to thrust into his beautiful son. Each of Tom's thrusts slammed Teddy's member against my throbbing clit. I ached for his boy seed.

Tom's thick member roughly massaged Teddy's prostate. Teddy started moaning as his boy orbs began to ache for release. That was when the orgasm began to rock my body. Moments later I felt his hot boy seed flood my sex and Tom cried out as his member filled Teddy with his thick man seed. They kept pumping me again and again until I started another orgasm.

Tom cried out that he was still hard and he kept pumping Teddy. Teddy said he was still hard too...he begged his daddy to keep fucking him. They kept going.

I was on my fourth orgasm when Tom told Teddy that he was going to fill him with seed.

Tom told me later that his orgasm was his most powerful ever. Our little boy cried out as he unleashed a torrent of his seed. It felt like a flood. That was when I completely lost it. Every nerve ending in my body felt like it was on fire. The tension in my loins was unbelievable. I went over the edge and I felt my own ejaculation. I flooded my little boy with my juices. He was soaked.

After listening to Gracie's story, Jerry felt like she was on fire. She stood up and took Devin by the hand. She picked up her bread and butter plate filled with sweet strawberry jam.

Jerri led Devin over to a large lounge chair and laid it out flat. She arranged her naked 12 year old boy on the lounge chair and kissed him tenderly. Mmmmm...Jerri said. This is going to make a wonderful dessert.

Devin thought that Jerri had taken a lot of the jam but did not think much about it until she began to spoon the fresh jam on his erect penis and over his scrotum. .

Jerri looked at Devin with lust in her eyes and told him she was ready for dessert. Jerri got on her knees in front of Devin. She began to lick the sweet jam off of Devin's member. She soon had the tow headed 12 year old boy crazy with lust.

Jerri put another spoonful on Devin's precum soaked shaft. Each swipe of her tongue had Devin gasping with pleasure. Jerry put spoon fulls of sweet jam on Devin's erect nipples. Jerri looked at her brother Ben with lust clouded eyes.

Benny I will share my dessert with you, Jerry told her 12 year old twin brother in an unbelievably sexy voice. I will share my sexy boy Devin with you too my handsome twin brother.

When Benny came over to Jerri she toyed with his 4 ½" boy boner. Jerri told her brother, Benny you are so hot for this Irish blond bombshell you are about ready to squirt your load all over him.

Benny licked some stray strawberry jam off of Jerri's cheek.

Jerri teased Benny's erection and asked him if he wanted to fuck Devin. Benny could only nod.

Devin watched and listened to the twins and was so hard and turned on he thought he might shoot with out touching himself.

Jerri asked Benny what he wanted to do to Devin.

Benny ran his four fingers down Devin's naked thigh. He looked at his sister shyly and then at Devin. I've never fucked a boy before...I want to fuck him real bad.

Jerri asked Benny to tell her more.

Benny blushed because he realized that all of the adults were listening. Well...I want to lick him...you know...make him ready...then I want to feel him all over and then spread his hips....I want to fill Devin with my bare boy boner...I want him to be fucking you, Jerri...you know...while I fuck him...I want to kiss all over his back and lick it while I fuck him...and as I get close I want to suck on his ear while I fill him with my boy seed...I want him to explode his seed into you when I shoot in him.

Jerri told Devin to get up on his knees and bend forward. She drizzled strawberry jam in Devin's crack and told her brother to lick Devin's sweet pucker.

Jerri got on the lounge chair in front of Devin. She spread her legs wide and drizzled jam all over her labia. Devin didn't need to be told. He feasted off of Jerri's sweet sex. Devin sucked and licked her labia. He probed Jerri's sacred place until he had her squirming. Then he found her sweet tasting clit and he licked it until he had the beautiful young 12 year old screaming with her orgasm.

Devin felt Benny eating the jam out of his crack and then Devin felt his pleasure center penetrated by Benny's hot tongue. Devin moaned into Jerri's hot sex. Benny probed as deep as his tongue would allow. Devin loved the attention Benny gave him. He was in heaven.

Devin couldn't hold out any longer. He had a powerful need to seed this awesome looking girl. The tip of his boy member entered her sacred place. Her sex was steaming hot and filled with Jerri's love juices. It felt like heaven to Devin. Each ridge in her sex sent spasms of pleasure through both of their young bodies. Devin locked his lips on her beautiful breast bud. The turgid flesh tasted awesome to the handsome Irish lad.

Jerry felt the silky hairs on Devin's pubis as he drove them against her hot sex. Her throbbing sex ached for his boy seed. Jerry spread her legs wide to allow the beautiful boy to penetrate her to the max. She stroked his beautiful blond hair and whispered how much she wanted his baby.

Benny knelt before Devin like Devin was an altar. Benny's 12 year old member was tan like the rest of his body from skinny dipping with the

family in their pool. The head of his member was an angry red color and throbbed with each beat of his heart. Like Devin, Benny had only a tiny amount of pubic hair. His pubes were blond and from a distance his boyish body did not appear capable of producing semen. Looks were deceiving. Benny was capable of producing a large volume of semen.

Devin felt Benny's naked member enter him. It felt awesome to Devin to feel the boy's hot member thrust into his sex. Devin loved the idea of being sandwiched between these two beautiful twins.

Benny cried out, oh god Devin...your ass is amazing...best thing ever... Benny's body shook as the intense pleasure of penetrating Devin's awesome sex sent bolts of pleasure raging through Benny's 12 year old body. Benny could not contain his passion. He began to thrust wildly into Devin's hot sex.

Jerri cried out, Benny...yessssss....fuck him hard....oh yes.

Ben's boy sex ached for release as his hard member plunged again and again into Devin, a boy who might be the sexiest 12 year old alive. Devin, sandwiched between the two sexy twins, felt like his senses were on fire. Devin's penis would slam into Jerri's unprotected cervix and then Benny slammed into Devin causing a double impact against Jerri's throbbing clit. The double impact caused Jerri indescribable pleasure. Devin watched her eyes roll up in her head and then listened to her screaming with orgasmic pleasure. Devin felt Jerri's hot womanly juices flood over his super sensitive organ.

Benny cried out, oh god Devin...gonna fill you with my cum...oh shit here it cummmmmmmmmssssssss....

Devin felt Benny's hot boy seed flood into his sacred place. Benny was fucking Devin wildly...each thrust hammered Devin's 12 year old prostate. Devin felt the awesome tension in his loins release and felt Benny pound a load of semen from deep in his body. The pleasure of fucking and being fucked at the same time was overwhelming for the young boy. The pleasure was so intense, Devin gasped for breath. Devin felt the hot semen burn through his member with a pleasure that set him on fire. His seed ejaculated deep in Jerri's unprotected womb.

There was nothing in the world that could have stopped Devin from filling Jerri with his essence. One of Ben's hard thrusts shoved Devin's boy member through Jerri's cervix and Devin's seed filled orbs delivered his potent seed directly in the fertile womb.

Jerri felt Devin erupt and knew in her heart as her body convulsed with pleasure that his seed was finding her egg. Jerri kissed Devin passionately as she clutched his shaggy white blond hair. She opened her sex as wide as she could so that she captured ever drop of his seed.

Jerri's daddy knelt beside the lounge chair as the three 12 year olds were joined as one. Ted kissed his beautiful daughter and then turned and kissed Devin. Then Ted kissed Ben. He told them that watching them was the most beautiful thing he had ever seen. Ted told them that he wanted them to repeat this as many times as possible so that Jerri would be filled with Devin's child.
