### **Incest Is Best 5**

Jack asked Ted when he first started having sex with the kids.

Ted told Jack that when the twins were babies. Ted, Cathy, Nick and the twins shared a family bed. When the twins were born Ted told Jack that watching Cathy nurse the twins made him so hot. Ted told Jack that the first time he watch Cathy nurse the twins he held 5 year old Nicky's body against his and rubbed his sex against him until he had a powerful orgasm. I felt so guilty pleasuring myself with my beautiful son. It only took moments for me to begin my orgasm. I watched every ejaculation of my semen and it seemed like it was erupting in slow motion. To this day I can tell you exactly what each jet of hot semen looked like as it jetted all over our bodies. The first jet was a huge load that landed all over Nicky's beautiful face. Seeing that hot semen land on him drove me crazy and I was rutting against my son like a wild animal. Each successive ejaculation made me cry out and it inflamed me more. When I had finished my wild sexual dance with my 5 year old son, I still had a raging erection. Cathy begged me for my rock hard member as she continued to nurse the twins. I quickly mounted her aching sex. She graphically described how turned on she was by watching me pleasure myself with our beautiful son. When I entered Cathy her juices were flooding. My arms encircled Cathy and the twins as they continued to nurse. Then Nicky climbed up on my back his torso still wet with my fresh seed. I began to pump my hard man cock deep in my wife's core. I have never seen Cathy so aroused. As Nicky's boy boner rubbed against my back I thrust deeply again and again into my wife. She screamed as the first wave of intense orgasmic pleasure hit her and then I felt her juices flood over me. I had never felt a woman climax like that. It only took a few more thrusts before I filled her with my hot seed. I pumped jet after jet of hot man seed into her aching womb.

How did Nicky react? Ted asked with his man member leaking precum all over the bar stool.

He was worried that I was hurting mommy with my big thing. When we both explained that those were cries of joy and pleasure he began to understand. As soon as the twins were done nursing Cathy gave them to me and she picked Nicky up and placed him on her chest so that his tiny boy boner was in front of her lips. Cathy looked up at the beautiful little boy and told him she wanted to make him feel as good as daddy makes her feel.

I watched in awe as she began to pleasure his 5 year old boner. Neither of us knew how much he would enjoy her attention. Soon he was moaning and

begging mommy not to stop. He went into a trance like state and his little body shuddered twice as he was rocked by his first dry orgasm.

The next morning was Sunday and Nicky crawled into bed with us naked and asked me if he could give me the good feeling again. I hugged him. Nicky lay on top of me. He turned around and sucked me until my body convulsed with a powerful climax that filled his mouth with seed. I pumped his little mouth full of jet after jet of hot seed.

It was a lazy Sunday morning and we played with the naked babies. I licked Jerri's vagina while Nicky sucked on Ben's tiny member. I still think that the tiny baby boner is the cutest thing I have ever seen. Cathy alternated sucking Nick and me. She put the babies down for their nap and came back to bed with me and Nick.

Cathy knew I was bi and totally turned on by young boys. She had Nicky sit on my face while she sucked him. I penetrated my beautiful son with my hot tongue. I heard Nicky moaning as Cathy sucked his 5 year old member. Soon I felt his small body shudder with a boy's dry orgasm.

As Cathy overheard Ted telling the story, she walked over to the bar to join Jack and Ted. She put her arm around Ted as he told the story about eating Nicky's ass while Cathy worshiped his boy boner.

Cathy smiled at Jack and said that it was the most awesome morning ever. She told Jack that she knew that Ted was bisexual and turned on by young boys. I just never thought his fascination with boys could turn me on so much. From that day on we just got closer and closer as a family.

Wow that is so beautiful, Jack said as a steady flow of precum drooled from his throbbing member.

It was beautiful. As the three of us lay together in bed and I toyed with Nicky's boy boner, I asked Nicky if he wanted daddy to love him like he loved me.

Jack watched as Cathy slipped her hand up the leg of Ted's shorts as they told the story.

Cathy said that Nicky threw his arms around Ted's neck and kissed and hugged his daddy and begged his daddy to make love him. Ted kissed the handsome boy passionately.

I was shocked that Cathy initiated the ideas of me penetrating Nicky, Ted said. I am sure my mouth was hanging open as I watched in amazement as Cathy lubed my throbbing member. Then she lubed one finger and inserted the finger in Nicky to lube him. I almost had an orgasm as I watched my beautiful wife finger our 5 year old son. We could tell it was uncomfortable for Nicky, but Nicky would never let us know how much the stretching hurt. Cathy lubed a second finger and as she inserted them told the beautiful boy to pant like their puppy. Soon the 5 year old was impaled on two of his mother's fingers. Cathy eased her fingers out and had the boy lean back as she aligned Ted's slippery rock hard member with the tiny pucker.

Nicky looked into his daddy's eyes as he put his weight on the huge man root. Nicky felt the tip of his father's raging hard member begin to stretch his boy sex. Nicky winced as the thick head began its invasion of his tiny boy body. Nicky got a very determined look on his face as he put more of his body weight back on Ted's erection. Nicky cried out as the head of the man member invaded him. Tears streamed down his beautiful face as he told his daddy how much he loved him.

While Ted and Cathy were telling the story, Nicky walked over and sat down. Ted told Nick that they were telling the story about the first time you and I made love. Nick fondled his dad's member, as Ted continued to tell the story. Ted said, "I was afraid I was hurting my beautiful boy and had decided that we needed to stop. I told Nicky that we needed to stop."

Nicky has unzipped and released his father's erection from his shorts while he listened to his dad tell the story of their first intercourse. Nicky said; let me tell the next part of the story.

Ted nodded that it was okay.

Holding his father's rock hard member, seventeen year old Nicky continued his daddy's story. Nicky only briefly paused to kiss the head of the man member that made him.

Nicky began to tell the story with a string of his daddy's precum hanging from his lip. His mother licked it away. Nicky hugged her and continued.

Nicky told everyone that daddy had tried to remove him from his stone hard member from Nicky's sacred place. I cried out "Noooooooooooo!" I told my daddy that I wanted his love seed. I leaned back hard on daddy's member. I felt his thick cock begin to slide deep inside me. The pain was unreal and I screamed, but there was nothing I wanted more than my daddy deep inside me. Then I felt his hair rub my butt and I knew I had him...I had my daddy just where I wanted him. The stretching made me feel like I was on fire and I cried with how it made me hurt. I was so proud.

Ted told them it made his heart stop. I was sure I had hurt the boy. "Quick Cathy, get him off before I damage him. Again Nicky cried out, Noooooooooo....please don't...I want your love seed deep inside me."

Cathy rubbed Nicky's back and pushed him forward to see if there was any blood on Ted's erection. All she saw was the slippery reflection of the thick coating of lube. Cathy moved around and kissed Ted and Nicky. She looked at Ted and told him to fill his man child with his love seed.

Ted started to object and Cathy put her finger to his lips and silenced him. She turned and nodded to Nicky who began to fuck himself with his father's throbbing member. At first they could see how uncomfortable it made the boy.

Ted explained that it was awful and wonderful at the same moment. I was afraid I would hurt my beautiful boy and at the same moment I felt the most intense pleasure I could possibly imagine. Here I was in a dream come true. I was making love to my 5 year old boy who was begging me to fill him with my love seed. The tight sleeve of the boy's love tunnel caressed my member and began to milk my essence from my aching orbs.

Cathy continued the story as father and son hugged. She told Jack that soon Ted could not have stopped if he had to. Ted pulled the boy's naked body down on top of him with his stiff manhood buried deep in his first born son. He inhaled the wonderful boy scent as he kissed the top of Nicky's head. He told his son how much he loved him and how much he needed to seed him. The two were joined as one as Ted's erupting penis began to fill Nicky with his love seed. Bolts of pleasure shot through Ted's body as he erupted jet

after jet of hot semen into Nicky. Ted pumped again and again as he filled the little boy with his life force. Ted's hips found their own rhythm and Ted cried out as the tiny boy drained every drop of seed from his body.

Nick and Ted turned to each other and Nicky begged his daddy to fuck his 17 year old ass just like he did the first time. Ted lay back as Nick climbed on top of his dad and impaled himself on his daddy's penis. Nicky rode his daddy for a few minutes loving the feel of his father's throbbing manhood deep inside him scratching a sexual itch that only his daddy could scratch. As he felt his father approaching orgasm, Nicky slipped off the steely hardness and told him not like this. Nicky stood up and bent over and begged his daddy to fuck him hard.

Bruce grabbed his camera and began to photograph Ted penetrating Nicky. Bruce thought the father and son joined as one was beautiful.

The father obliged the son's request. Ted stood up and took hold of Nick's hips. Ted thrust his aching member deep inside Nicky. Ted looked at his dad Dr. Tom and said, Daddy please fuck me. Dr. Tom got behind Ted and entered him as Ted entered Nicky's sacred place. It was a beautiful thing to watch grandfather, father and son as one. Ben quickly got up and knelt before his 17 year old big brother and began to kiss and suck his member.

Watching grandfather, father, son and youngest son joined together in a spectacularly beautiful sexual union almost made Bruce have a spontaneous orgasm. The pictures of this amazing sexual union were breathtaking.

Devin climbed in Jack's lap and kissed Jack passionately. Bruce spun around and caught the instant that Jack's member penetrated Devin. You could feel the wince as the flared head of Jack's thick member pierced the beautiful blond boy. Devin loved Jack more than words could ever describe. He wanted to make their joining exquisitely pleasurable for Jack. Devin impaled himself on Jack's thick member and Jack could feel the seed that Ben had just deposited in the beautiful blond boy. Devin leaned forward and kissed Jack passionately as he rode the handsome fashion designer's stone hard member. With one hand Devin cupped Jack's heavy seed filled orbs and with the other he pinched Jack's nipple hard. Jack was moaning with the pleasure the 12 year old boy caused him.

Megan was terribly turned on by what she was watching, but felt the baby as its weight caused her some back pain. Megan sat on the edge of the chair and Jerri came over and sat on the ground beside the chair. Jerri scooted up between Megan's legs and she began to lick the very pregnant 14 year old girl's clitoris. Soon Jerri had Megan fully erect and gasping with pleasure. Her tongue probed the pregnant fashion model. Jerri knew how to bring Megan to a mind blowing orgasm.

Becki's beautiful naked 9 year old body slipped into her grandmother Gracie's chair. Gracie held the exquisite young body next to her own. Becki pulled Gracie's polo shirt over her head. She then slipped her shorts and thong off. Becki was sure that her 48 year old grandma was the sexiest grandma in the world. Becki loved sucking Gracie's tongue almost as much as she loved nursing on her fabulous boobs. Becki soon had Gracie moaning with pleasure. That was when Becki spun around and began to lick and suck her grandmother's amazing clitoris. Gracie could not resist the temptation of the prepubescent girl sex. Gracie feasted on the tiny clit and dipped her tongue in Becki's love tunnel. Gracie was delighted to taste her handsome husband Tom's ejaculate in her 9 year old granddaughter's sex. Gracie heard Megan's cries of orgasmic pleasure as Jerri sucked her clit. Gracie was so turned on that her orgasm rocked her body and she had a powerful squirting climax. Becki sucked up every drop of Gracie's ejaculate.

The three generations of men filled the patio with the sound of their flesh slapping as they built toward orgasm. Ben dropped to his knees in front of his older brother and took his brother's man stalk in his mouth. Nicky flooded Ben's mouth with his precum. Benny loved his big brother more than words can express. Benny knew that tonight he would sleep with his big brother after Nicky filled his beautiful 12 year old ass with his seed. Suddenly 12 year old Benny felt his 17 year old big brother's boner swell in preparation of his orgasm. The little boy knew that big brother was going to give him the best treat of all...his hot seed. Nicky felt his father's semen explode in his 17 year old love tunnel. The moans and groans of pleasure from grandfather and father pushed Nick to a quick climax in his little brother's seed hungry mouth. Nicky face fucked his little brother as his father filled his ass with hot seed and he heard his grandfather cry out as he shot a huge load in his father's ass.

Devin kissed Jack as he rode his man member. He told his brother-in-law how much he loved him. Devin's twelve year old lips locked passionately

with Jack and Jack's semen exploded deep in Devin as he tasted the young boy's tongue. Jack thought about how sexy it was to mix his seed with that of 12 year old Ben. Devin had to fight to avoid spilling his seed all over Jack. He wanted to save his seed for Jerri.

Devin knew he need to seed Jerri soon. He jumped up off of Jack's still erect member and smiled at the pop Jack's erection made as it slipped out of his young seed filled ass.

Devin rushed across the patio and took Jerri by the hand and helped her up from sitting on the patio between his sexy pregnant sister's legs. He told Jerri he was still on the edge of squirting his seed all over the patio. Jerri quickly leaned over and braced her hands on a lounge chair while she presented her ass to Devin.

Devin stood behind her and buried his hard young cock deep in her vagina. Devin's fingers played with Jerri's clit and nipple as his hips thrust his hard cock deep in her core. Devin's middle fingers penetrated Jerri's steaming vagina while the palm of his hand rubbed her erect clit. Devin's fingers stimulated Jerri's special spot while stroking his own member.

Oh God Jerri...gonna shoot...oh baby... Devin told Jerri. Because his fingers were buried deep in her hot sex, Devin felt himself begin to cum as his hot seed filled Jerri's sex. Jerri's body convulsed each time she felt a jet of Devin's boy seed squirt in her womb. Jerri's body was wracked with a powerful squirting orgasm. The patio below them was stained with their combined essence. The pleasure was so intense Devin had to hold her upright as he finished planting his seed.

Bruce snapped dozens of exposures of these two breathtaking children as Devin tried to fill her belly with his baby. As their orgasm subsided, Bruce captured the moment that Devin pulled his semen covered fingers from Jerri's sex. Bruce kept shooting as Devin brought the fingers up to his lips and then his tongue licked their combined essence off of his fingers. Soon Jerri joined in on the other side of Devin's hand. Together they licked their most intimate essence from his fingers. They fell into each other's arms and kissed passionately.

Jack offered to fix Ted a drink. As the two walked over to the bar, Jack told Ted he thought he was a very sexy man. Jack leaned over and kissed Ted.

Jack looked into Ted's blue eyes and thanked him for sharing the story of his first penetration of Nicky.

Ted hugged Jack and told him that it was such a beautiful moment he was glad to finally being able to share it with someone outside of the family...openly and honestly.

Bruce had taken some awesome pictures of the families coupling. He began to focus his attention on 12 year old Ben. His young body was a work of art. Looking at Benny through the view finder of his camera gave Bruce an erection that ached because it was so hard.

Bruce decided that he needed to taste Benny's 12 year old seed. Bruce went to Ben and took some close ups of Ben's beautiful face. The piercing blue eyes were amazing. Bruce reached out and took the young boy by the hand. Bruce hugged the 12 year old against his body and led him over to a place where he could focus on pleasuring the lad.

Ben was like Devin. He was the kind of boy that Bruce had wet dreams about. This was a sexual moment of a lifetime. Bruce took the thin white flaccid tube of boy flesh in his mouth. Bruce tasted the awesome boy flesh and his whole body shuddered with the pleasure. The taste and smell of this sexy boy were beyond description.

While Bruce now had tons of images of this sexy boy, Benny was a once in a life time memory for the famous photographer. Bruce decided that he had to taste the boy pucker. The scent of this beautiful boy was almost more than Bruce could deal with. Every sense in Bruce's body was on overload. His tongue penetrating a 12 year old pucker was a moment beyond description.

Bruce's tongue wanted to go to the boy's belly button. Bruce probed the luscious boy until it felt like his tongue might fall off. Bruce knew that he had to fuck the beautiful boy. He asked the boy for permission to penetrate him.

Ted was watching and listening and he kissed Bruce's cheek and told him to pleasure his beautiful 12 year old son. Ted told Bruce, I want you to teach him the joys of man love. I want you to take his man on man virginity. Ted

took Bruce's chin in his hands and looked deep in his eyes, I want my beautiful baby son to remember this night always.

Bruce was touched beyond belief...that a father would offer up his beautiful man child to him and invite Bruce to take the beautiful boy's virginity was beyond belief. Bruce knelt there looking Ted in the eye and as Ted watched tears of joy leaked from Bruce's eyes.

Bruce hugged Ted. You are awesome, Bruce told Ted. Benny is an unbelievable gift. I will treasure it always.

Nicky handed Bruce the lube as he kissed him passionately. Nicky whispered in Bruce's ear, give him the experience of a lifetime...fuck his beautiful blue eyes out.

Bruce hugged Nick and then began to slather lube on his aching member. Benny got on his knees and presented his beautiful pleasure center to Bruce and begged the world famous photographer to make love to him.

Bruce looked at the beautiful naked 12 year old boy with his perfect ass in the air. He pulled the boy up and took him in his strong arms. Bruce kissed Benny and hugged him tight. I can't do it like that.

Benny looked shocked and disappointed.

That is not the way to make love to the most beautiful 12 year old boy in the world. I want you to be my lover and I will take you to heights you never thought possible.

The boy was totally confused and Bruce laid him back and began to pleasure the beautiful boy with his tongue. He kissed and licked Ben's face. Bruce then licked his way down to the erect boy nipples. He sucked, licked and flicked the nipples until the 12 year old ached for release. Bruce licked his way down the beautiful boy body. He thought about just eating the kid up. This was just too beautiful. Instead of aggressively tickling the boy's navel with his tongue, he gently tantalize it until the boy felt it was one of the most sexual moments of his young life. Bruce licked his way down to the small patch of white blond pubic hair. Benny felt like Bruce caressed each strand of hair with his amazing tongue. Benny was crying and begging for Bruce to suck the essence out of him.

Bruce knew that the boy ached for orgasm and decided to torture him even more with wildly unimaginable stimulation before giving this beautiful boy child sexual release. Bruce sucked on the 12 year old's seed filled orbs. He would suck one orb and then the other and then let his tongue dance behind the boy's sensitive scrotum. The boy clawed the pad on the chair. He begged and screamed for release and Bruce only tantalized him more.

Then Bruce began to crave the taste of 12 year old boy seed. Bruce took Ben's boy member reverently in his lips and he began to suck and pleasure the boy god. Bruce felt Benny grind his member against the roof of Bruce's mouth to scratch his aching sexual itch...Bruce would have none of it. Bruce began to lick the nerve bundle at the precise point of circumcision on the underside of the throbbing boy member. Bruce licked his way up and tortured the boy with exquisite pleasure as the tip of his hot tongue traced it's way around the ridge of the corona. The oversexed boy cried for relief as his finger nails clawed the cushion and his young member thrust hopelessly in the air seeking sexual fulfillment.

Bruce stopped.

The baby boy cried out in frustration. He leaned up and looked at the handsome older guy. His beautiful face was marred with a cross look and a puzzled expression.

Bruce looked at the boy. He stared deep in his baby blue eyes. Bruce pause a moment and let the boy's angst build. When Bruce was sure that this luscious boy was totally frustrated, he looked him and said, I am going to pleasure you. I want all of your boy essence. I want you to give me the biggest load of your seed you have ever delivered. We will then share it as I fuck you silly and fill you beautiful mouth with your own seed.

The beautiful boy god looked startled. He had never had anyone talk to him like this...he loved it...but...

Bruce began to feast on his luscious boy tube. Bruce had sampled gourmet food from around the world; he had made love to some of the most beautiful men in the world...nothing rivaled this moment. Here was this beautiful boy god and he alone was going to taste his essence.

As Bruce began to suck Ben his nostrils were filled with the wonderful scent of the earlier coupling with Devin. Bruce inhaled the erotic scent. The two most beautiful boys he had ever seen...their essence and scent combined in one place. Bruce imagined this boy penis penetrating Devin's pleasure center as he sucked the boy. Ben was crying and gasping at the pleasure Bruce filled him with. Just when Ben thought his body could not take any more pleasure, Bruce took him to a new and more awesome level.

Bruce visualized this beautiful boy member pounding into Devin and delivering it's precious seed. Bruce sucked and licked and tantalized the rigid flesh until he knew the boy hung by a thread...Bruce let his orgasm subside. The boy's loins felt like they might explode and his young body would spin out into space...and then Bruce would find a new pleasure center.

After edging the boy to the verge 5 times and hearing him beg and scream for release, Bruce stopped. He looked at the sweating boy and told him that he would get from Ben the most seed he young body had ever given up. Bruce began to intensively suck and his finger brutally entered the boy and instantly found his pleasure point. Bruce massaged it until the boy's aching body exploded in a rush of boy semen. The boy literally screamed as his body gave up his essence. He thrust again and again as thick creamy semen that the young boy had never produced before erupted from deep in Ben's core. He gave Bruce his first man semen. The boy's body shuddered and convulsed as he poured out his essence into the man that worshiped his member. He whimpered as the last convulsion past and Bruce had a mouth full of creamy boy essence.

Bruce held the boy's head and kissed him passionately. Bruce filled the 12 year old boy's mouth with Ben's own thick creamy man seed. Bruce's man member instinctively found the boy pucker and he thrust forward. Ben cried out as the thick head of Bruce's man cock penetrated his virgin sphincter.

The boy gasped as the man member invaded him and Bruce began to kiss the boy god filling his mouth with the essence of the gods. Bruce drizzled the boy's own essence back in to his mouth.

Ben loved every minute of the situation. First there was the taste of his thick creamy seed. Then the pain associated with losing his virginity. Bruce thrust his member deeper into Ben's core. The beautiful boy gasped for

breath as the thick throbbing member penetrated him to the core. Ben could not get enough of Bruce's man cock. Despite the burning, Ben wrapped his muscular legs around the handsome man. The beautiful blond boy was impaled on Bruce's manhood. It was as if Bruce had speared his catch of the day...hell...catch of a lifetime.

Bruce's man member had a mind of its own. Bruce began to thrust his rigid member deep in the beautiful boy's steaming hot core. Each time the Bruce's man rod found the boy's pleasure center. The boy could not believe it but he felt the pressure as it built in his loins again. Ben was on the edge of orgasmic bliss. This beautiful man's hard ram filled his preteen body with unimaginable pleasure.

Bruce's body went rigid as his man seed raced through his pleasure wracked body until it explosively ejaculated deep in the beautiful boy. Bruce was out of his mind with pleasure. His body had never felt like this. He thrust powerfully again and again. Bruce's essence spewed forth and yet his sexual itch still needed to be scratched more.

Ben cried out in pleasure as Bruce's man member pounded his young prostate again and again. Ben felt the tension in his loins release as the flood gates of his boy essence released again. He squirted his seed all over their bodies spontaneously.

Bruce was still in the midst of a powerful orgasm. He thrust again and again until sweat dripped off his brow on to the little sex god that he was inseminating. The powerful orgasm seemed to last forever. Just when Bruce thought it was ending, his member erupted again into the love tunnel of this amazing boy.

Eventually the photographer was spent sexually and lay on top of the 12 year old beauty. Bruce could only kiss and hug the boy tenderly and lick the perspiration off his amazing face. Bruce's member was still rigid and very much embedded in this boy child.

Ben hugged Bruce tight and kissed him and thanked him for the most amazing night ever.

On the lounge chair next to Bruce and Ben, Jerri and Devin were locked in a tender and amazingly sexual embrace. Jerri whispered in Devin's ear that

she wanted his seed. Jerri rocked her 12 year old pelvis against the boy and his rigid member.

Devin hugged Jerri tight and cried out that he was going to fill her body with a baby. Devin grunted and groaned as his young testicles gave up another load of his boy essence deep in Jerri's 12 year old womb. Devin thrust again and again as Jerri cried out with the pleasure of being seeded.

As Megan watched her little brother seed Jerri's beautiful body it felt like her body was convulsing from another orgasm and this one was breath taking. As she sat there with her legs spread a huge gush of fluid squirted out. Megan was sure she had lost control of her bladder...but that didn't seem right. It couldn't be...

Dr. Tom immediately went to her and held her because she seemed overwhelmed. He gently kissed her on the cheek and told her he was going to check things out in a moment. Tom walked over to the outside kitchen that they had on the patio and washed his hands. He had Megan lie back and he did a vaginal exam.

Wow! Tom said. I am going to recommend powerful orgasms to all of my patients. You went from being dilated 5cm to 8cm in 2 hours. And that was your water that just broke. He told her to relax and as much as possible enjoy it...she was about to be a mother.

Jack rushed to his baby bride and hugged her 14 year old body tightly to his own body. He kissed her tenderly and told her how much he loved her. She held him tight and began to gasp for breath. Jack turned pale and quickly turned to Dr. Tom and asked what was wrong.

Tom tenderly put a hand on Jack and Megan's shoulders and told them nothing was wrong. They are about to be parents. He told them that he did not have a chance to time them, but his guess is that the contractions are about 3 minutes apart.

Megan asked what she should do. Tom recommended that they walk around for a while.

Megan and Jack walked to the top of the hill overlooking the lake. He took her in his arms and kissed her tenderly. He told her how much he loved her.

They strolled hand in hand naked across the yard to the pasture. The beautiful stallions and mares came over to the fence. Jack and Megan rubbed their muzzles and the horses stayed there with them. Megan clutched their muzzles to her breast. They walked back toward the pool. Megan doubled over with another contraction. Jack held her body against him and felt her finger nails dig into his arm and back.

Megan walked shakily back over to Dr. Tom. She looked pale and asked him if they shouldn't get dressed and head to the hospital. Just as she asked another powerful contraction hit her. Jack and Tom held her steady. She looked at Dr. Tom and told him to do something. Tom laughed and told Megan she was doing everything necessary. Megan was ready to tell Dr. Tom off when the next contraction rocked her young body.

While all of this was going on, Gracie dashed out with sheets and towels. She expertly draped the sheets over the lounge chair. She told Devin and Ben to grab a couple of large pans and fill them with water and put them on the stove to boil. She sent Nicky and Bruce in search of scissors and string.

Tom helped Megan to the lounge chair and checked her again. He was amazed that she had already dilated to 10 cm. He kissed her on the cheek and told her she was a very lucky young lady. You are moving along very rapidly and are now fully dilated. Your beautiful baby wants to be here...now!

Megan yelled at Dr. Tom and told him to get her to a hospital. She dug her finger nails into his arms to make her point.

Tom held her hand and explained that she would be much more comfortable having the baby here rather than in the car.

Megan's eyes snapped open and started to ask what he meant when another powerful contraction rocked her beautiful young body. Tom reminded her about her breathing.

Devin looked down and cried "holy shit...look at that!"

Tom smiled patiently and told Devin that was the crown of the baby's head.

Megan told Devin to shut the fuck up...as only a woman in the process of delivering a baby can.

Tom told Megan to take a few deep breaths and when she felt the next contraction to push. Nicky and Bruce showed up with the scissors and string.

Tom told them to pour vodka over the scissors and string and their hands. He told Jack to have them pour vodka over his hands too.

Megan looked at Dr. Tom and told him to quit fucking around with the cocktail party and get the baby out of her.

Dr. Tom smiled at her as only a man who had delivered hundreds of babies could and reminded her about the breaths and with the second breath Megan's contraction hit. Dr. Tom told Megan gently but firmly to push.

Megan pushed with all her might. Tom told her that was great. He coached her on her breathing and told her to push again with the next contraction. Everyone watched as the next contraction hit and Megan began to push with all her might. That was when they saw the miracle of birth. Dr. Tom was holding a beautiful baby boy. The moment he cleared the boy's mouth he let out a loud cry. Gracie held a bath towel out to receive the little miracle. Tom told Megan to push one more time and the rest of the placenta emerged from her womb.

Tom asked Nicky for the string. He quickly snipped off two pieces. He instructed Jack where to tie the string on the umbilical cord. He told Bruce to hand the scissors to the new daddy. Tom told him how to cut the cord. Tom quickly checked the baby over and then wrapped it in a blanket. Gracie handed the precious bundle of Joy to Megan. The new mom insisted that her beautiful baby be unwrapped. She did a quick inventory of fingers and toes.

Gracie took the baby and swaddled the beautiful baby boy and handed it back to Megan. Jack hugged Momma and baby. Jack kissed Megan and told her how much he loved her.

Devin was so touched the tears streamed down his face. He was an uncle and maybe a father in the same day. He hugged Jerri and she wiped away Devin's tears and her own.

Gracie brought over the pan of hot water and a cloth to cleanse the beautiful baby boy. Gracie took the baby from Megan. Gracie had dad hold the newborn. Then Gracie gave Megan a sponge bath to help Megan freshen up. They sat of the patio until the sun set. It was a beautiful end to an amazing day. Dr. Tom announced that it was time for mom and the new baby to get some rest.

Jack tenderly picked up his baby bride and carried her upstairs to the master bedroom. Gracie handed the baby to his startled uncle. Devin's jaw dropped as she placed the tiny boy in Devin's arms. She walked beside Devin up the steps with her arm tenderly wrapped around the new uncle. Uncle Devin and baby boy went into Jack and Megan's room.

She helped Devin settle in a chair and then went across the hall to the nursery to get the bassinet. Gracie set the bassinet beside Megan and motioned for Devin to bring the baby over.

Devin looked at the baby with awe. Megan asked her little brother what he thought of the baby. Devin could only grin...he was uncharacteristically speechless.

Gracie took the baby and gave it to Megan. She told her it was time to nurse. The little guy went right for the nipple and sucked for all he was worth. Jack watched in amazement.

Cathy put her arm around Becki and kissed her forehead. Slowly everyone left except Jack who sat on the edge of the bed and watched his beautiful baby bride nurse their new baby.

Jerri and Devin went to Devin's room. They were all still naked and Devin suggested they take a shower. Devin couldn't keep his hands off of Jerri's beautiful body. Devin dropped to his knees in the shower and worship Jerri's sex. Devin told Jerri how good she tasted.

Devin sucked on Jerri's breast buds and fingered her until the stimulation pushed her over the edge. This time her ejaculation during orgasm was even greater.

Devin dried them off and quickly took her to bed. His loins ached for release. Devin mounted Jerri and buried his boy member deep in her core. Jerri cried out with pleasure. Jerri was quickly in the throes of another powerful orgasm. Just as Devin felt Jerri begin to ejaculate, his member erupted filling her again with his potent boy seed.
