Angel Boy

It had been a crazy and stressful week. Bill Dwyer was tired and felt like he might be getting the flu. He decided to call it an early night. As he walked up the steps to get to his bedroom, he felt nauseous and feverish. His chest felt tight and congested. Bill shook his head. He hated getting sick.

When Bill first got in bed, he tossed and turned trying to get comfortable. When he drifted off to sleep it was a fitful sleep. Bill vaguely remembered being really uncomfortable right before moving into a more restive sleep. He felt himself drift into the most restful and relaxing sleep he could remember. He had never felt better. And that is when the dream started.

Bill was awakened by the bright light in his room. It was as if three cars had driven up to his bedroom window and turned on their bright lights...not too likely on a second floor window. As Bill looked at the end of his bed there was the most beautiful 13 year old boy he had ever seen. The boy was flawless and just what Bill had always imagined the perfect boy would look like.

He was about 5'3" tall with beautiful shaggy white blond hair. His complexion was perfect. He had the lean muscular build of a swimmer with not an ounce of fat. Even his abs were beginning to develop...amazing for a 13 year old. There was not a trace of hair on his body other than the hair on his head. If there were under arm hairs they were almost invisible. Bill suddenly realized that this perfect boy was only wearing a loin cloth. The cloth was bright white and held by a white cotton drawstring that was tied in a bow just above his beautiful soccer butt. Bill scanned down the boy noticing how the loin cloth was slightly tented in front. It was also tented in back by his magnificent soccer butt and that tenting action revealed even more of the boy's beauty. Bill's survey continued down the boy's legs with their well defined calves and his incredibly cute bare feet.

Bill in his wildest dreams could not imagine a more perfect boy. Bill could eat this kid up. He was...well...exquisite! Bill's penis was rock hard and leaking precum like crazy.

When the boy spoke to him he had the perfect voice for a boy in the midst of puberty. It was slightly raspy and the pitch varied frequently. It was marvelous. The magnificent boy told him his name was Josh...one of Bill's favorite names. Josh told Bill that he was here to treat him to the most magnificent night ever...the night of his dreams. The boy's smile melted Bill's heart.

Josh looked at Bill and asked him just exactly what would be the most perfect evening he could imagine.

Bill stammered a bit. He knew in his head what would make it an evening to remember all of his life...but this boy...he was so special...so...pure...yes that's the word...pure. Could Bill bring himself to tell this boy what would be the most amazing night ever.

Josh stepped closer to the bed and Bill felt his small fingers stroke the side of his face. Josh gave him the killer smile and told him that he was pretty sure he knew what Bill wanted. I just want you to tell me so that I am sure everything is perfect for you.

Bill grinned at Josh and asked, "You're sure? Anything?"

Josh grinned again as told Bill that he could have absolutely anything he wanted tonight.

Bill looked at Josh and he began to tell him what would make it the perfect day. Bill told Josh that he wanted to go on a picnic with him in the most beautiful place in the world. He told the boy he wanted to be with him... everyway possible...and have a deep loving relationship. I want to be as perfect for you as you are for me. I want you to crave my body.

Josh smiled and said perfect. Would you like to go now, he asked Bill.

Bill nodded and Josh put his hand out. It seemed very strange as Josh stood up. Then he realized why. His body was suddenly transformed. He was 25 years old again...but his body never looked like this. Bill's body was tight and toned. As they walked by the mirror, Bill realized that he looked the way he always dreamed of looking. Bill shook his head. As they reached the top of the stairs, Josh asked Bill if he was ready for an amazing experience.

Bill nodded.

Suddenly they floated down the stairs and through the front door. Bill realized briefly that they were just transported through a closed door. He was trying to reconcile that with Josh's warm hand that he was holding. Just as he was about to think more about their having going through the door, they began to fly. It was better than any flying dream that Bill had ever had. It felt awesome. They were transported into the stratosphere...and yet they were both perfectly comfortable with no real physical sense of how fast they were traveling. Bill felt like all of his senses were totally alive in a way they had never been before.

They began their descent. Bill grinned and decided that he was going to enjoy experiencing his perfect fantasy world. As they descended, Bill tried to figure out where they were going. None of the continents or topography looked familiar.

They were suddenly transported to the most beautiful garden Bill had ever seen. All of the trees and shrubs were in bloom. Bill was astounded at all of the animals in the garden. There were deer, raccoons, opossum and none of them seemed to be afraid.

They followed a path deeper into the woods. The path had a perfect covering of pine needles and mulch so that it was delightful to walk on. As they rounded a bend they found a mountain lion and her cubs playing. The mountain lion and cubs looked at them and they were curious. That was it. The lions looked at them and went back to playing.

They walked a little further and there was an amazing clearing. As they walked into the clearing, there was a picnic setup beside the most beautiful lake that Bill had ever seen. The lake seemed to go on for ever. In the distance there were magnificent mountains.

Josh looked at Bill and smiled. He asked Bill if this was what he had in mind for the picnic as he motioned for him to sit on the beautiful cloth that was spread on the ground for them.

Bill could only nod yes as he tried to absorb the beauty that surrounded them. Bill stood up and walked over to a sandy beach. It was spectacularly beautiful. Josh walked up beside him and reached over and unbuttoned his shorts and then pull off the polo shirt that he was wearing. Bill was not sure when he put on the shorts and shirt but when they were removed, Bill stood naked before Josh.

Bill looked at the bow on the drawstring that held up Josh's loin cloth. Josh smiled and nodded. Bill untied the bow and the loin cloth fluttered to the ground. Josh stood before Bill in all his naked glory.

The boy's body was so magnificent it almost hurt Bill's eye's to look at him. Bill was trying to drink in every detail of Josh's body. His eyes focused on Josh's member. It was so pure and beautiful. There was a tiny amount of white blond pubic hair at the base of a perfect 3" uncircumcised penis. His scrotum was filled with two larger than expected testicles. The penis hung down and nestled perfectly between the two seed producing orbs.

Bill was awestruck. He studied the magnificent boy. Josh looked to Bill vaguely like a statue that Bill had seen of the young Greek god Ganymede. Ganymede was a mortal who Zeus took as a lover when he was a young boy. Zeus made Ganymede immortal and the god of homosexuality.

Josh looked at Bill and said let's go swimming. As they waded into the water that was the perfect temperature, Josh looked at Bill and smiled. Does it make you wonder if the ancient Greeks were right about pederasty?

Josh told Bill that pederasty was a custom that seems to have been practiced mostly among the upper classes among the ancient Greeks, in which an older man would make a young free boy his sex partner and become his mentor. Usually these men were married and thus it became a bisexual relationship. Apparently it all seemed very natural at the time.

As they stood in knee deep water, Bill watched Josh dive in to the water. He watched as the beautiful globes of Josh's ass submerged in the crystal clear water of the lake. It was breathtaking. Bill dove in and swam behind Josh. Josh stood up in what was shoulder deep water for him. Bill swam up in front of him.

Josh asked him what if the ancient Greeks were right and everybody else got it wrong. Josh swam on. Bill could not stand it any longer. His penis was now throbbing. This time when they stopped swimming, Bill could comfortably stand up.

Josh could not touch bottom so he swam back toward Bill. Josh wrapped himself around Bill and for the first time Bill felt the beautiful boy's erect member. Bill's member was nestled in the crevice between Josh's magnificent globes. Bill swore that the tip of his erection was pressed against Josh's center of pleasure. Josh squeezed his hips together and hugged Bill's member. Bolts of pleasure shot through Bill. He gasped for breath as he felt his penis erupt and jets of hot semen erupted from the tip of his penis. Josh hugged Bill tightly and kissed him tenderly.

Josh stroked Bill's face and saw that he looked disappointed. Josh lightly kissed Bill again and told him not to worry about wasting his seed. You may have as many orgasms as you want and your seed will be bountiful. Josh told him with a grin.

Bill had never heard a 13 year talk like Josh. He was an amazing young boy. Bill began to kiss and stroke the beautiful boy. He kissed Josh and noticed that all of his senses were heightened. The contact of their lips and their bodies, the wonderful aroma of boy, Josh's raspy melodic voice, the

birds chirping, the feelings of the breeze on his damp skin were all intensified. All of them were tantalizing every nerve ending in his body.

All of these intense sources of stimulation seemed like they were wired directly to the tip of his erection. Everything seemed to stimulate him. Bill kissed Josh and his tongue began to probe the beautiful boy's mouth. The taste and intimate nature of their kiss sent shivers through Bill's body. As Bill continued their kiss he felt the familiar tension building in his loins. Light contact with his corona cause Bill to have another mind-blowing orgasm. Josh looked at Bill and told him he was awesome and it would be an awesome day.

They swam toward shore racing to be the first one back. Then they wrestled when they were in shallow water to keep each other from being first. They tumbled on to the sandy bottom and landed in about 6" of water. Josh was lying on Bills chest as their naked bodies pressed together. Both laughed until their sides hurt.

Josh's 4 1/2" erection was pressed against Bill's thick 7" member. Josh began to grind his erection against Bill's throbbing member. Josh probed Bill's mouth with his hot tongue and Bill's hands were all over Josh's sexy body. Josh groaned that he was going to cum all over Bill and he did just that. Bill's penis responded by flooding semen all over the beautiful boy. Their kisses seemed endless and the orgasm was one of the most intense that Bill had ever felt.

Josh stood up and big globs of man seed ran down his chest and abdomen. Josh looked at Bill and grinned as he scooped up a handful of his seed. "Dude you really cum with that awesome member of yours," Josh told him. Bill watched in amazement as the 13 year old boy licked all of the man seed off of his hand and then went back for more. This kid was so sexy.

They both dove in again and swam through the crystal clear lake as the water rinsed them clean. They walked up to the blanket hand in hand. Bill noticed that he did not feel a chill in spite of having a pleasant breeze blowing.

In the 20 steps from the lake to the blanket their bodies became totally dry. They stretched out on the blanket. Josh's erect member was in front of Bill. Bill's index finger stroked the boy and felt Josh's body shudder from the

pleasure. Josh reached into the picnic basket and pulled out a piece of fruit that vaguely looked like a pear. He held it to Bill's lips so that Bill could take a bite. When Bill bit into the fruit the juices squirted out in all directions. The fruit had the consistency of an over-ripe peach with a flavor that was out of this world. It was the most amazing food that Bill had ever tasted. Bill immediately felt a surge of energy as soon as he swallowed the first bite.

“Oh Josh you must taste this,” Bill told him.

Josh told Bill to bite off a piece and share it with him. Bill did and as he put the fruit in Josh's mouth he found it to be one of the most sensual things he had ever done. The two of them continued to enjoy the piece of fruit. Josh told Bill it would give him the energy to stay up 24 hours and have the most amazing day of his life.

Josh then reached in the basket and peeled a piece of fruit that looked like a banana. It was vaguely shaped like an erection and Josh told Bill he will really enjoy this as he fed him a bite.

Bill took a bite and the flavor was indescribable. Suddenly every flavor that Bill associated with sex flooded through his mouth. As he swallowed the fruit his body began to shake. Josh kissed his cheek and told Bill it was normal.

There was nothing normal about this, Bill thought. Every pleasure center in his body was vibrating. And then he looked down and this 13 year old vision began to tenderly suck Bill's raging erection. Then suddenly it felt to Bill like he was having 1,000 orgasms at the same moment. He flooded Josh's mouth with his semen. He kept pumping jet after jet after jet after jet of thick creamy man seed in the boy's seed hungry mouth. As the powerful orgasm subsided, Josh with his mouth full of man seed leaned over Bill's open mouth and began to feed him his own essence.

Bill quickly swallowed it all. Bill leaned down and took Josh's boy member in his mouth and began to suck and worship it. His tongue explored the tip of his foreskin and then penetrated it so that his tongue was between the glans and the foreskin. After moments of this attention, Josh began to spew the sweetest boy semen into Bill's mouth. Bill was sure he had died and gone to heaven. It was truly a spectacular moment.

Bill only wished his partner and lover Mike could be here to see this. He shared his fantasy many years ago with Mike about making love to the perfect 13 year old. They both masturbated to his fantasy. Mike laughed and told him then that if he ever got the opportunity, never give it a second thought. Mike told Bill that he should take advantage of the opportunity.

It was strange...It almost seemed like Mike was here with him. You know like...holding his hand...Bill hoped so. He shared everything with Mike.

Bill kissed Josh. Josh looked at Bill timidly and asked him if he would make love to him.

Bill asked Josh if he was sure. Bill worried that his big thick 7" shaft would hurt the boy. Josh kissed Bill and told him it would be okay.

Bill...there is just one thing...Josh told him.

Bill nodded waiting for Josh to tell him.

"I am not like other boys...if you make love to me it will be very different...the fruit I gave you will make you wild with sex...Once you start sexing me you will do it again and again and again..."

Bill kissed Josh tenderly and whispered in his ear...Baby I need you so bad...Bill told the beautiful boy.

"I knew you would say that. I just wanted to warn you," Josh told him.

Bill looked around for some lubricant. Josh kissed him passionately and told him he didn't need to worry about lube.

Bill pressed the thick head of his cock against Josh's virgin pleasure center. He looked at Josh and asked the beautiful child if he was sure about this.

Josh nodded smiling.

Bill pushed his erection forward until the tiny sphincter was stretched to the max. Bill's body felt a jolt that shoved his erection deep in the boy's pleasure center. Josh cried out with pain at the invasion. Both of their

bodies tingled from the top of their head to their toes. The pleasure was amazing. Josh cried out to Bill to fuck him harder. Bill thrust again and again. Each time, Bill's raging member went deeper.

Josh cried out and Bill felt his boy semen squirting all over them. Bill's ejaculation followed immediately. It was one of the most intense orgasms he had ever had. Bill gasped for breath. Just as he caught his breath, Bill's body was hit with another pleasure jolt.

Bill was totally rock hard and desperately need to seed this boy again. Bill thrust again and again into his magnificent 13 year old lover. He pounded the boy's prostate. Once again Bill pleased Josh to the point where Josh ejaculated boy seed all over them again. Bill immediately climaxed too. It was another intense orgasm. Bill couldn't stop. Bill felt like he pumped a gallon of man seed deep in the boy's pleasure center. As his orgasm subsided, Bill gasped for breath.

Bill was worried about Josh's virgin pucker and was afraid he had damage the boy. Just as he started to voice his concern, another pleasure jolt hit him. Bill's penis had never been harder and he thrust it again and again into the beautiful boy. His body was driven to another even more powerful orgasm. As the waves of pleasure hit him, the tingling spread through his entire body until a huge volume of his semen erupted into the boy. This time he gasped for breath and as he tried to talk another jolt of pleasure hit him. The cycle was repeated again. It was followed by an even more powerful orgasm. He felt Josh's arms tightly around him. Bill was too exhausted to talk. Six more times the pleasure jolt hit Bill and his body and demanded another orgasm. It was awesomely pleasurable and frightening at the same time.

After nine of the most powerful orgasms ever, Bill was too spent to even talk. His body gasped for air. He was drenched with perspiration.

The beautiful boy sat beside him and held his face and stroked his perspiration soaked hair. Wow...how did Josh do it? He had as many orgasms as I did and he looked fresh as a daisy. Josh kissed him tenderly and told him to sleep. He gave him a taste of the fruit and a sip of water.

Bill drifted into a deep fitful sleep. He thought he heard voices and there were bright lights, but when he opened his eyes he was still with Josh at the pond. Josh was off by himself on his knees. He looked like he was praying.

Bill started to speak but he was too exhausted and he drifted back off to sleep.

Sometime later...Bill had no sense of time...he awoke again and had an immediate sense of well being. He realized that Josh was holding him and stroking his face.

“You slept long and hard. I am sorry that I wore you out that much. You are an awesome lover,” Josh told Bill.

Bill grinned at him and held him. “I...uh...I...didn’t hurt you...did I?” Bill asked somewhat sheepishly.

Josh held him tightly and told him that it was awesome. Josh kissed Bill tenderly and told him how much he loved him. Josh fed Bill some of the fruit from the basket and then they shared a bite. Bill felt the energy surge through his body. Bill asked Josh what the fruit was and how it gave him so much energy. It is a special fruit only found in this garden and I am not sure how it works. I just know that it does.

Bill looked over and the boy’s beautiful organ was fully erect. Bill’s fingers reached out and touched the glans and traced the corona. It was truly spectacular. Bill leaned down and began to suck the boy. The boy’s scent and the taste of his member were amazing.

The boy got up on his knees and ground his young member against the roof of Bill’s mouth until the pleasure became so intense that he cried out with his orgasm. Bill held Josh tightly and savored every drop of his boy seed.

As Bill kissed the Josh and shared his own boy seed with him, Bill realized just how far this was beyond his wildest dreams. Bill realized he could have never imagined a place this beautiful and peaceful with a boy that is this loving. Bill realized that he was so inhibited that he could never allow himself to dream something this vivid. He was suddenly fearful. How is this possible?

Bill asked Josh if he was praying earlier while Bill slept.

Josh fussed over Bill for a moment and licked the last of his boy semen from Bill’s lips.

Josh absently nodded yes. Josh looked at Bill and innocently asked him if he prayed.

Bill looked startled and realized that this 13 year old boy who he had just made love to for hours is asking about his prayer life. Bill thought it was very strange, but said no...not so much.

Why not? Josh asked Bill with wonderment in his voice.

Bill lowered his head, as if in defeat, and then looked Josh straight in the eye and gently told him that God doesn't love gay people. Bill never...ever cried but suddenly he felt a tear leak out of his eye. Josh used his thumb to wipe it up and then licked his thumb.

Bill looked amazed...and Josh grinned at him. There is nothing that I don't like about you, Josh told Bill matter-of-factly.

Why do you think that God doesn't love gay people? Josh asked him.

Well...all of the churches teach that God despises homosexuals. It has always been that way. He just doesn't love us.

Josh said that's strange...I have never been to church...I wouldn't know...All of them teach that...Hmmm.

Bill thought for a moment...I don't know about all of them...I went to enough to get discouraged.

How could anybody not love you? Josh asked him. You are awesome! Josh hugged and kissed Bill. The kiss became passionate and in moments they were making slow, tender, passionate love. Josh looked at Bill and smiled as Bill thrust his member deep in Josh's sacred place. Josh told Bill that he loved the feeling of being filled with his thick member. Josh saw the passion in Bills eyes.

You are soooo close. Josh told Bill as he stroked the backs of Bills thighs and hips. The stroking sent jolts of pleasure racing though Bill's body. Bill felt himself being on the edge. He thrust his throbbing member deep in the boy.

Oh yes...Bill...fill me with your hot seed.

And Bill did. His penis erupted. Jet after jet of hot semen filled the beautiful boy. It was an awesome moment. It did occur to Bill that Josh should have had tons of his seed in his core from their previous lovemaking. And he realized that when he entered the boy he was as pristine as the first time they made love.

Bill kissed and tenderly hugged Josh while his semi erect member was still inside the boy. Bill never wanted the moment to end.

Josh looked at him lovingly and told him he never wanted it to end either. You are so awesome Bill. I just don't understand how you can think God doesn't love you. He sent me to you to take care of you.

Bill just shook his head. This dream just got crazier and crazier. Bill thought that he may have eaten some hallucinogenic mushrooms. Bill just answered...I am sure he did.

Bill began to lick and nibble Josh's erect nipples. After just a few moments Josh's boy sex was rock hard. Bill licked his way down to the prize. He kissed the boy member and licked and stroked it until he thought Josh was going to pull out two handfuls of his hair. Twenty minutes later, Bill was still ever so slowly licking and tantalizing the boy. When ever Josh was on the edge of orgasm, Bill would suck on his seed filled orbs. This time he was licking the beautiful boy pucker.

Oh Bill...please make me cum...pleeeeeezzzz! Josh begged.

Bill grinned and he took the boy member in his mouth. Josh did not wait and he began to face fuck Bill. His need to seed was overpowering. Josh had never had this much tension in his loins. And then the first wave of intense pleasure washed over Josh. The powerful pleasure was so intense that Josh's eyes rolled up in his head and he cried out in a high voice. Bill's eyes were closed as her received the boy seed but he was suddenly very aware of a bright light and a strong breeze. There was a loud flapping sound. Bill opened his eyes in alarm. Josh was bathed in white light and the flapping sound was the sound of huge wings that seemed to emanate form Josh's back. Josh cried out again and again as he filled Bill's mouth with his

potent seed. Bill was too startled to swallow. The seed had a whole different flavor than what Josh ejaculated earlier. This was like...well...nectar of the gods...no way!

He gulped it down and felt his own body begin to glow. Bill had never felt anything like it.

Bill realized that he was kneeling and worshiping Josh's boy member while he was embraced by the most magnificent white wings that softly caressed his naked body.

Moments later things had returned to "normal" and Bill was startled out of his reverie by the sound of Josh's voice...sounding a little deeper than it had earlier.

Wow...that was amazing...they warned me about it...but I never...Wow...It was...well...angelic! The others told me about angel 'gasms...but...well I was still sorta new...hard to believe all of that stuff.

Bill said, no way...I suppose you are going to tell me that you are my guardian angel.

Well...yeah! I am...you know...telling you I am an angel...and that was an angel 'gasm. Josh told him with a mischievous look in his eye. He sent me to take care of you in your time of trouble.

Bill echoed the last statement with a questioning tone...time of trouble?

Josh said yeah...you are having a really hard time...and I am not talking about the fact that you have a raging boner AGAIN...Josh said laughing and shaking his head.

Josh could see that Bill was totally puzzled. Come with me and I will show you. Bill took his naked angel's hand and instantly they were transported to a treatment room in the Emergency Department at County General Hospital. Bill looked down at himself lying in a hospital bed. Bill was suddenly scared at how bad he looked. Mike was holding his hand and crying. The doctor walked in and Mike quickly wiped the tears from his face.

I am Dr. Cogan and I am Bill's cardiologist. We have the first round of tests back and it appears Bill had a severe heart attack or Myocardial Infarction. He was lucky that you knew CPR and the EMTs got there as quickly as they did. What we are concerned about is that he was down for a long time. We want to check his brain activity while we stabilize him. Assuming that looks good we will do a Cardiac Catheterization to see where and how bad his arteries are blocked. He has a long and tough road ahead of him. We'll just have to take it one step at a time.

Mike thanked him. Josh saw that Bill was crying and he put his arms around him and his wings extended automatically to caress and comfort Bill in his time of anguish. Bill heard Mike's voice but when he looked up at Mike his lips were not moving. As he listened, Bill had a chill down his back. He heard Mike praying for him. Bill was surprised. He didn't know that Mike prayed...much less prayed for him.

Josh told Bill that they should go.

Bill looked at him and said...You mean????

Nooooo...just leave for the time being...it is not your time.

Bill told Josh that he could not leave Mike alone like this.

Josh held Bill tight and told him that Mike was never alone...particularly tonight. In moments the room was bathed in a beautiful light. And then Bill saw him. The most magnificent man he had ever seen was standing behind Mike. As Mike held Bill's hand and began to sob, Mike was suddenly cocooned inside two magnificent wings and Bill knew that Mike was okay.

Bill walked out of the room shakily as Josh held on to him. In the hall way he saw the doctor with his head bowed and he heard a prayer that ended with a special request for healing grace for his new friend Bill. Bill turned and looked back at the treatment room and saw a young nurse looking at Mike and he heard her prayer for the two of them. Tears streamed down his face.

Instantly they were transported back to the garden and they stood on the beach beside the lake.

Are you beginning to understand how much God loves you? Josh asked Bill.

I am really confused, Bill told Josh as he held on to him for dear life.

It's normal...and you are not alone. Too many people say they speak for God and say hateful things that make Him shudder. He loves you Bill more than you could possibly know...he has loved you since the beginning of time...long before you were even a gleam in your parent's eyes.

But there is so much hate...how could He do this? Bill asked with his brow furrowed like a corrugated box.

He created you in His image and likeness. He gave you and all men a free will...and that is not always such a good thing. Men and women do all sorts of mean, hateful things to each other.

But what about the scripture? Bill asked with a troubled expression. There are all sorts of hateful things said about lying with another man.

Yeah...well that is another example of where things didn't work out quite the way God had hoped...you know...the free will thing again. Josh explained. Let me give you an example. Do you know the story about the Ten Commandments?

Bill nodded.

Well that is a great example. Here Moses has gone up the mountain to talk to God and in that short time everybody runs amuck and builds a golden calf, of all things, to worship. I was there with Moses when he came back down. He was really pissed. I tried to stop him from smashing the tablets...too slow and I wasn't supposed to stop it from happening. Boy that was a long walk with Moses back to the top of the mountain. He came down with 10 commandments again. Ten simple commandments were on the tablets...I saw them.

Thou shalt not kill....that seems pretty clear...how could there be a need to interpret that? And yet how many people through out the generations have rationalized this reason and that for why it is okay to kill.

Bill do you have any idea how many Mosaic laws there were?

Bill shook his head that he did not know.

There are over 600. From 10 simple commandments they created over 600 laws. Josh told him.

And the Roman Catholics are even worse. They started with the same 10 commandments and now they have over 1,300 Canon Laws that they use to govern the church and the people in it. If you read them...about 1/3 of the Canon Laws contradict the other 2/3.

Things really get messy when humans start to interpret what God “meant to say.”

Bill looked at Josh with wonder in his eyes. But I’m gay...

Josh grinned at Bill. You were taught that God created you in his image and likeness...right?

Bill nodded.

Well he did and that is why you have a free will. When did you decide to be gay? Josh asked him.

Uhhh...I didn’t decide. I knew I was gay when I was 12. I am not sure I knew what to call it, but I knew that I was only attracted to boys. Bill told him.

So the gay thing was just part of your nature?

Bill nodded again trying to figure out where Josh was going.

So God made you gay. Josh said.

Well...yeah I guess He had to. Bill responded. Because Josh...I think you are about the sexiest thing I have ever seen. I must be gay he said laughing.

Both of them had a good laugh and Josh hugged Bill telling him he thought Bill was sexy too!

If God made you in His image and likeness and you are gay did the Lord God almighty make a mistake? Josh paused for effect and then Bill started to answer. Josh held up his hand to stop Bill.

I can answer that...no He did not make a mistake...you are just the way he imagined you would be and he is delighted with you.

Well then God is gay and the lesbians and heteros are out of luck. Bill said with authority just before Josh slapped him on the back of the head.

No...dufus...He is an infinite being...You along with everyone else are trying to limit Him by your feeble human understand of an infinite being. If God ever fully revealed Himself to your human brain would be fried...

Well what does he want from me? Bill asked the boy angel.

That's pretty simple. He wants you to love him. That is a hard thing for humans to do and to understand. How do you love a mind boggling complicated infinite being?

Bill shook his head in confusion.

The best way to show your love for God is to learn to love those around you...unconditionally. Even love those who hate you. Josh told Bill.

Bill shook his head at the simplicity of the request. I will start with you because you are amazing in every sense of the word, Bill told Josh still very much over whelmed. Bill hugged Josh tightly and this big, tough, gruff guy held this magnificent boy and he cried...cried like he hadn't cried since he was a child. Josh held him and Bill felt the feathers of those magnificent wings tickle him. The two of them knelt there in each other's arms and hugged and kissed.

Josh stood up and pulled Bill along with him. They waded out and dove in. The two of them swam and frolicked. Bill swam under water and wrapped his arms around the beautiful angel. As Bill stood up he was in shoulder deep water with Josh's beautiful boy legs wrapped around his waist and the boy's arms wrapped around his neck. He felt the boy's turgid member throb

against his abs. Bill kissed Josh tenderly. I love you, he told the beautiful boy.

Josh hugged him back and told Bill he loved him more than Bill could possibly know.

Bill whispered in Josh's ear, I suppose it would be wrong at this point for me to want to make love to an angel.

Josh did a deep, joyful boy belly laugh and then kissed Bill passionately. I was an angel the first 10 times you filled me with your man seed today...I don't think anything has changed.

Bill felt Josh maneuver around and felt his throbbing member pressed against Josh's pucker.

Mmmmm...Josh moaned as he impaled himself of Bill's man root. You feel so awesome deep inside me. Let's take this slow and just enjoy being joined as one. Josh told Bill as his lips parted to kiss him.

They stayed in the weightlessness of the water. They were totally lost in each other's love and joined together as one. When they broke their kiss, Bill's fingers found Josh's turgid nipples and lightly touched and stimulated them. Bill felt the contractions caused by the stimulation deep in Josh's pleasure center. His five senses were alive with the experience of being with this beautiful boy. He had never experienced anything like this. Bill lost time. He did not know if they had been in the lake for 10 minutes or 2 hours. He just knew that he needed to nurse on Josh's nipples. Bill heard Josh make a deep sexual moan from deep inside his young body. He felt Josh's boy member begin its relentless thrusting against his abs. Then there was a guttural groan as Josh clutched him tightly.

Oh Bill...so awesome...then Bill felt the simultaneous thrusting of the boy member against him as Josh was lost in the throes of orgasm. Bill felt the boy's pleasure center contract around his penis and milk his essence from deep inside his body. Bill began to thrust and convulse as his body was rocked by the mother of all orgasms. Bill filled the boy with his love offering again and again until all of his seed had been planted. The two kissed as their bodies remained united. It was a long deep passionate kiss

that seemed to last for ever. Bill hugged the naked boy tightly to his body as if he might slip away.

Josh combed Bill's hair with his fingers as he gave him a wonderful quick playful kiss. Josh did what would have been a back dive off of Bill had he not already been in the water. Bill watched as the sexy boy's penis broke the surface of the water. It was then that Bill felt the teen angel part his legs and swim through them. The next thing Bill knew was that the boy had climbed on his back and was demanding a piggy back ride to the shore.

Bill ran up the beach to their blanket and dumped the boy over his head and then proceeded to fall upon him showering him with kisses. You are the sexiest thing I could have ever imagined. Bill told the boy.

Josh looked at him with a raised eye brow and said, sexier...I think! Your mind would not allow you to imagine a boy of my beauty and I gave you that as my gift.

Bill shook his head trying to absorb that and said, you mean that you can just...

Josh stood up and nodded. Josh spread his amazing wings and the bright light was so intense that Bill had to shield his eyes. Seconds later when the light faded there stood before him an exquisite young girl that Bill guessed to be about 12 years old. She had radiant blond hair, tiny breast buds and a trace of pubic hair. I can be a beautiful girl she said in the most captivating voice or...and then the wings and bright light again caused Bill to look away. There was an old woman before him who reached out and stroked his face...Or a loving grandmotherly figure. The wings spread and seconds later he was Josh again. That is how I was the perfect virgin boy for you. I took the perfect shape to deliver exactly the message that God wanted you to hear with an open mind.

Josh took Bill's hand and kissed it. It is time for us to return and check on things. They were transported and stood in the surgical waiting room with Mike and his angel. It was the middle of the night. Nancy their neighbor just left to get Mike coffee.

You stabilized and they found that four of your arteries were badly blocked. They are finishing a quadruple by-pass on you. Let's go in. Bill trailed his

hand over Mike's shoulder and Mike looked around trying to figure out what was going on. The worry lines on Mike's face broke Bill's heart.

They went into the surgical suite. Josh told Bill it would take a little longer and asked him to make love to him again. Josh bent over holding the wall and begged Bill to enter him. Bill could not believe he was making love to a 13 year old angel in a surgical suite while his own body lay open on the table. For Bill it became apparent that suddenly he was making love to a 13 year old virgin again. Surgery be damned, he was going to savor this moment with Josh. He vaguely heard the surgeon call for the paddles, but he instantly felt the pleasure jolt. Bill thrust again and again into the beautiful boy his pounding of Josh's prostate caused the boy to have a powerful orgasm. Bill's own orgasm was triggered by the boy's and he erupted deep in Josh's pleasure center. Bill heard the surgeon say, and again! And Bill felt another jolt of pleasure. Josh looked over his shoulder at Bill as he furiously made love to the angel boy. It took two more jolts of the pleasure paddles before they restarted his heart.

Bill didn't know what happened. He was transported again but he wasn't sure where. He just felt a loving kiss on his cheek and heard a whispered; I'll be here when you need me.

It was late the next afternoon when Bill started to shake off the anesthesia in the CICU. He groggily opened his eyes and saw Mike clutching his hand and using it for a pillow. Bill wanted to say something but he drifted back off before he could.

Two hours later they came to remove the tube from his throat. As soon as the PA was gone, Mike took Bill's hand. Bill brought Mike's hand to his lips and kissed it tenderly. Bill looked at Mike with a tear running down his cheek. I love you so much, Bill told him. I am so sorry I put you through all of this.

Mike shook his head and decided that Bill was still talking crazy from the anesthesia. He was unconscious when Mike found him and he has been unconscious ever since. How could he possibly know what I have been through?

The two sat there quietly for a while. Mike jumped up and kissed Bill tenderly on the lips and told him how much he loved him and how scared he was.

I know you were and I am sorry I made you cry so much. And Mike...thanks for praying for me. I needed it. Mike pulled back from their embrace with a startled look on his face. By the way...your guardian angel is hot. Bill pulled Mike into a kiss and then drifted back off to sleep.

Mike sat there holding Bill's hand shaking his head in amazement. And since when does Bill give a damn about prayer. Mike shook his head in wonderment. A hot guardian angel my ass!
