HARDware Store Summer – Chapter 2

Karl called in another order the next morning. He told me that he would like to have lunch again and chuckled a little bit. We agreed to go at 11:45 and I told him I would walk over and meet him.

I walked in the lumber yard and he put a gone to lunch sign in the window. As we were walking out the back toward his car he put his arm around my shoulder and began to play with my nipple. I got an instant hard-on.

You really like it when I play with those don't you.

I nodded yes.

When we got to his car, I got in as he was putting the top down. He slid in and reached over and unzipped my pants. Before I knew it he had my boner out. He started the car and said he always wanted a 4 speed as he used my cock as his shift lever.

I was afraid he was going to make me cum all over my pants. I wore navy blue pants so the wet spots wouldn't show so bad...but nothing would hide a big old cum stain.

When we got to his house he would not let me put my cock in my pants. Karl said it was too pretty to hide. Karl walked beside me so the neighbor lady across the street couldn't see my naked boner.

When we got inside, Karl immediately stripped me naked. He stood in front of me and played with my nipples. Then he bent down and began to suck them and occasionally nip them with his teeth. Each time he did it was like an electric shock to my balls.

Then there was a knock at the door behind us. Karl did not hesitate and just opened the door. Mike the mailman was there. He walked in and dropped his mail bag on the floor and then his uniform started to follow. I watched as he stripped naked and played with Karl's boner through his pants. I unzipped his pants and pulled out his boner. God it was huge. My fingers could not close all the way around it. Karl moaned and had a continuous stream of precum leaking all over the floor. I saw that Mike was naked. He had a 6" thick boner. Mike came over to me and he looked me over.

My God you're prettier than Karl said. Look at that gorgeous tight body, and what a hot looking cock. Karl said you like to have it sucked. Can I suck it for you?

I nodded and watched as Mike fell to his knees. He took my cock in his two hands and began to kiss the tip and then lick it all over.

I was out of my mind with pleasure. I didn't notice that Karl had disappeared. When Karl came back he had a tube. I watched as he put some on his finger. Karl moved around behind me and spread my tight cheeks and began to lube my pucker.

I started getting really scared as I thought about his huge cock, but I was sure that he knew he would never get his huge cock in my tight ass. Pretty soon he was probing my ass with his finger as Mike began to suck my rock hard erection. Mike was starting to get me close to orgasm when Karl put a second finger in my ass. That kind of hurt and it pulled me back from the edge of orgasm. Karl kept finding a spot deep in side me that sent of sexual sparks. Mike had me close again and Karl put a third finger in my ass. That really hurt. I started to say something, but Mike was working his magic on my boner and I knew that soon I would give him a huge load of my seed.

Karl put all 4 of his fingers in my ass and the pain made me see spots. I cried out. Mike really worked hard on my cock and the pain started to ease a bit. That was when I heard Karl say baby I need your hot ass real bad. I felt him pull his fingers out. For a moment I

missed that full feeling. Karl spread my cheeks and I felt the tip of his huge cock. He shoved the tip in and the pain was so intense that I fainted for a moment.

When I awoke, I heard Mike say, Karl be careful you are going to split the poor kid in two.

He is so hot I just have to fuck him. I felt Karl push his huge cock deeper and the pain became more intense.

This is the hottest thing I have ever seen, said Mike. Go deeper.

Karl shoved again and this time I felt his pubes against my ass. I screamed as he impaled me on his giant member.

Oh baby, you gotta take old Karl's seed. With that he began to fuck me. I was gasping for breath and crying each time he rammed me with his cock. Mike came out with Karl's camera and began taking all kinds of pictures of Karl fucking me.

Karl told me I needed to suck Mike. Mike pulled my face up and began to slap my face with his boner until I took his cock in my mouth. I finally started to suck him. While I am sucking Mike, Karl tells him that his is going to cum in my ass and he wants pictures of his orgasm.

He hands Mike the camera and takes hold of my hips and begins to repeatedly ram my ass with his giant member. I couldn't scream because my mouth was full of Mike's cock. I could hear the camera clicking away as Mike took pictures of Karl fucking me.

Soon I hear Karl cry out as the pounding of my ass reached a fevered pitch. I felt my ass flood with his hot cum. He rammed me over and over again filling me with his hot semen. I didn't know anybody could cum that long or that much.

I couldn't think too much about Karl's orgasm, because Mike increased his thrusting and I knew he was going to cum soon too. Mike fucked my face as hard as he could. He was holding the back of my head to increase his penetration of my throat. After a few minutes of this Mike cried out and my mouth started to fill with his hot cum. He shot rope after rope of his cum deep in my throat. He was gasping for breath when he finished. Karl pulled out of my ass and got a warm wash cloth to clean up with.

There is not as much blood as I thought there would be he said to Mike.

Mike said just looking at the blood is starting to make me hard again.

Karl said why don't you fuck him and I will suck him.

I looked at Mike and saw that he was rock hard again.

He walked around behind me and bent me over as Karl took my cock in his mouth.

I felt Mike penetrate my ass. It was bruised and sore, but this was nowhere near as bad as the pain of Karl fucking me.

I felt the pleasure of Karl sucking my cock and that eased the pain. I built quickly to an orgasm. Mike kept ramming my prostate and that pushed me over the edge. I cried out as I filled Karl's mouth with my boy seed.

Mike cried out again as he filled my ass with his hot cum. He rammed me again and again as he fired rope after rope of semen in my tender ass.

I lay there sweaty and exhausted. My ass and my lips were bruised from the abuse. Karl stood up and his penis was rock hard again. Karl looked at me and said baby I need to seed again.

I shook my head and said I was too sore for him to fuck me again.

Karl asked me to suck him.

I told him okay, but I had no idea of how I could get that huge cock in my mouth. I knelt in front of Karl. I felt their semen ooze out of my bruised asshole. I took hold of Karl's huge member. It was so hot and hard. I loved the feeling of it.

I began to lick the head and he moaned. I tasted his precum and I wanted more. I loved the feeling of the spongy head of his cock against my tongue. I was licking his cock from base to tip. I licked and sucked his nuts while his precum drooled all over my face.

I opened my mouth as wide as it would go and to my amazement the head of his cock entered my mouth. I kept stretching and felt the tip of his cock at the back of my throat. My mouth and throat were so stuffed with his huge cock, I couldn't even gag.

I felt his cock begin to slide down my throat. He started to fuck my face. I loved the taste of his cock and all of its precum. He thrust and thrust until I felt his huge member start to swell. I knew he could not last too much longer. As I sucked I felt Mike begin sucking my erection.

Karl kept pounding my face and I felt him get closer and closer to his orgasm. He cried out and pounded my face and throat as he released his seed. Karl pulled out of my mouth and sprayed his cum all over my face.

He told me that I looked so hot with his cum all over my face. He got on his knees and he licked his own cum off my face.

He took me to his shower and we got in. He began to scrub me all over. I watched as he got hard again. He turned me around and bent me over. In one push he had impaled me on his gigantic member. Karl started thrusting in me and I felt him hit my core again and again. I felt him pick up his pace and heard the sound of his body slapping against mine as he drove toward his climax. As his thrusting continued, I felt his massive cock begin to swell.

Baby here it comes...here is the gift of my seed. I felt his cock begin to erupt in my ass. I took another huge load of his cum. When we got out Mike was standing there. He told me to get on my knees. He presented his hard cock to my lips. I started sucking Mike. Mike had been watching Karl fuck me in the shower and he was really horny. I took his thick cock in my mouth.

Mike immediately started to face fuck me.

Oh baby, Mike said, you are so hot!

Mike grabbed my hair and started ramming his hard member down my throat. He was moaning in pleasure as his rock hard erection plowed my throat.

Oh shit cutie I am gonna cum again. With that I tasted his hot semen as it filled my mouth. He held my head tight as he rammed my face over and over again until his need to seed ebbed.

As Mike stood there panting, he looked at Karl. This kid is so hot I almost cum every time I look at him, he told him. He picked me up off the floor and started playing with my erection. Mike knelt down and started to worship my hard cock.

He deep throated me again and again trying to get me to share my hot boy seed with him. Karl came up behind me and rubbed his semi hard erection against my ass as he played with my nipples. Karl started nibbling on my neck.

The nipple play and Karl sucking on my neck was enough to bring me rapidly to the edge of another orgasm. Mike was bobbing his head at a frantic pace and I could feel myself slipping toward a massive orgasm.

Mike sucked my cock and Karl pinched my nipples hard trying to push me over the edge. It is like I was stuck right on the verge of an orgasm. The powerful pre-orgasmic feelings were washing over my body, but it was not ready to release my essence from my orbs. Karl started to suck my nipples and bite them. The biting was just what I needed for release. I cried out as the orgasm swept over me. I grabbed Mike by the hair and pounded him with my facing fucking.

It was like there was a deep itch that only releasing cum could scratch. I pumped rope after rope of my boy cum deep in his throat. I kept moaning as Mike and Karl worshiped my body. Their hands were all over me. It was like they couldn't get enough of my lean

teen body. As my orgasm subsided, I told them that I had to pee. Mike took me to the bathroom. He held my cock as I tried to pee. I was still too hard to release my flow. Bending my boner down made it too hard to pee.

Mike took me to the shower and told me to get in. I was not sure what he was doing. When we got in the shower he slid his fingers back to the base of my erection. Amazingly I did not go soft after my orgasm. My cock was pointed almost straight up.

Mike told me to release my flow. I tried and a few drops dribbled down my cock and over his fingers. He told me to try again. I did and a small jet of urine shot up in the air. I heard Mike moan from behind me. I thought this was a little weird. I pressed again and got a small stream going. I was shocked to see Mike running his hand through the stream. He then quickly turned me toward him and pulled me to him so that I was pissing all over both of us.

Mike moaned again and said that this was so hot. I finally stopped and he turned on the shower and began washing both of us. He kissed me and thanked me for one of the hottest experiences of his life. I still thought it was pretty weird, but the guy did give an awesome blow job.

I made them promise to destroy the pictures after they were finished looking at them. As we rode back Karl opened my pants and played with my semi hard cock. As we pulled around back he bent over and sucked my now ridged member. I could not believe it but he kept sucking me until I was moaning and begging for another climax. I could not believe that we were doing that in his convertible where anyone could have walked up and seen us.

Getting sucked out in the open turned me on. I begged Karl to keep sucking it. Soon I passed the point of no return and I released my semen in to his hungry mouth. I kept pumping his face until I could not do it any longer. The pleasure was unbelievable. Karl grabbed his handkerchief and wiped of his slobber and the cum from my cock. He gently put my penis back in my pants and zipped me up.

I could not believe the intensity of the experience. I got out and my legs felt like rubber. I had never had such a wild experience. As I worked at my desk that afternoon, I could feel their collective cum leak out of my butt. I was thankful that I was wearing tighty whities to help absorb the flow. As I sat there working, I thought about what happened and started to get hard again.
