Matt n Josh	Gay/Adult Youth

Later in the week, I was working in my home office when the boys came home. I looked forward to their arrival...they were almost always horny when they got home from school. Today was no exception. I walked into the kitchen to find Josh being stripped naked by Matt. Mattie dropped to his knees and started sucking his brother's cock. He seemed determined to drain his brother's essence in moments...I unzipped my pants and my hard cock popped out. I was stroking myself and watching Josh slide his hand down Mattie's sweatshirt so that he could play with his nipple...his other hand held Matt's head. That was when I looked up and saw Rick through the back door window. He opened the door and looked from my cock to the boys and stared at Mattie with his mouth full of Josh's hard cock. Josh looked up and yelled Daddy...sweet for a sixteen year old to still call his dad that. But I could not think about that. I could only see Rick's Glock and badge on his belt. I was seeing my life pass in front of my eyes. Josh pulled away from Mattie and struggled to get to his father. Rick moved toward Josh and trapped him in a bear hug. Josh flung his half naked body around his father and began to kiss him. At first it was a welcome home kiss. Shortly it became a kiss of passion. Their mouths parted and it was clear that their tongues were dueling.

Josh pulled back and looked deeply into Rick's eyes and told him how much he had missed him...I need you so much, Josh said. And Mattie and I looked at each other as Josh thrust his still hard cock against Rick's leg. Rick reached behind Josh and took hold of his bubble butt and pulled him even closer...and suddenly Josh started moaning and thrusting even harder as his boy seed spewed all over his father's jeans...Their kiss continued long after the kiss subsided...and a powerful sensation swept over my penis as Mattie took me deep into his throat. I was so engrossed in watching Rick and Josh that I was not aware of Mattie's intent. Rick broke the kiss and looked at Josh and said, I can tell you missed me...Rick dropped his cum covered jeans to the floor...his gun and badge landing with a thud...Rick stripped the shirt off Josh so that his boy was now completely naked... he kissed him as Josh stripped off his dad's shirt...Mattie was sucking me while watching his dad and brother...

Rick turned his boy around and inserted a finger in his rosebud...it was not a gentle entry...it was probing driven by lust. Then two fingers were inserted...Josh moaned and held on to the kitchen counter...his lust glazed eyes signaled his enjoyment. Rick could wait no longer...he saw the bottle of olive oil on the cabinet and grabbed it. He lubed his son and then himself...he almost spilled the bottle in his haste to enter his son....oh baby I need you so bad he said as the head of his 7.5 inch man stalk penetrated his son's tender rosebud...they both moaned as he slid deeply into his son...there was no waiting for Josh to adjust...Rick was a lust driven as his son had been earlier.

Rick pulled back as he held the globes of his son's ass...he thrust forward powerfully rubbing his cock head along his son's sensitive prostate...Josh's guttural moan was enough to cause Rick to thrust deeply again. God I missed you Joshie...I need you so bad...Uhhnnn...so good as he slapped the globes of his son's ass as he thrust forward again....Fuck me hard Daddy! As Rick

drew back again and thrust deeply into his son. That was all it took for Josh as a powerful orgasm washed over him. Josh's cum sprayed the kitchen cabinets again and again. The spasms in Josh's rosebud sent Rick over the edge...he planted the family seed deep inside his son...wave after wave of his orgasm swept over Rick...that sent me over the edge with Mattie...I shot deep in his throat again and again as I felt his hard cock rubbing my leg...and as my climax started the view of his father, brother and my orgasms sent him over the edge. I felt his hot boy essence spray all over my leg...I picked him up and kissed him deeply tasting my own seed.

As we finished, I watched Rick reach for Mattie...Mattie looked a little unsure because he had never had sex with his father. Rick took him and gently removed his pants...Matt was commando as usual...and then Rick removed his shirt. His hands roamed over the boy's beautiful body...he tenderly kissed Mattie and as the kiss grew in intensity so did Mattie's manhood. He was rock hard and throbbing with each beat of his heart.

Rick began to suck the boy's erect nipples. Mattie began to moan holding his Dad to his breast. Rick was rock hard again. He lowered his head to Mattie's lap...tasting his son's precum for the first time and savoring the taste...he wanted more...as much of the boy's seed as he could suck out of him...he wanted to suck him dry.

The intensity of Rick's sucking increased as he had these thoughts...Mattie was moaning running his fingers through his dad's hair. Rick wanted his boy to have a massive orgasm...he would let Mattie build right to the brink and then ease off...time and again...Mattie was on the verge of a powerful orgasm for 10 minutes...he was moaning and crying and shaking his head back and forth...begging for release...

Mattie reached the point of explosion...he would not be denied this time and his hip bucked up off the counter thrusting his painfully hard dick deep in Daddies throat...He lost control and felt his cock burn as the sperm rifled through his swollen member...the family seed was burning down his father's throat...again and again and again...he thrust until his pelvis and hips ached...for he had longed to share his seed with his Dad since that first night the boys were discovered naked and sleeping together.

Rick kissed his son full on the lips and was surprised when Mattie's tongue was trying to part his lips...He returned as much of Mattie's sperm to him as possible. Rick held both boys to his naked body kissing their foreheads as tears streaked his face...it was the moment he had dreamed of for so long.

Rick walked over and hugged me and thanked me for taking such good care of his boys. He explained that he had to return home to testify at a trial tomorrow. He needed to go to the office and prepare for his testimony. I told him we would have steaks and potatoes when he returned. I told him to pick up a good bottle of red wine for the 4 of us to celebrate...

More to come...
