When Rick came back, he could not keep his hands off of his sons. While the boys cleared the table after dinner and loaded the dishwasher, I fixed Rick a cocktail. I suggested that he and the boys might want some private time...he smiled and clasped my shoulder. Thanks Mack for everything that you have done. I particularly want to thank you for me to share my love with Matt.

They are two amazingly beautiful boys. I told him if he thought this was amazing, he should have been here for the great blizzard boy orgy. As I told him about the night with the twins I could see the front of his jeans tent. God I would have loved to see that. I told him that I did not think that would be a problem if he wanted to...not too difficult to get 4 sexy teen boys going. Mattie walked in and ask where 4 sexy teen boys are going...Rick and I had a good laugh...told ya so...I said.

He took the boys home. I was rock hard thinking about what that scene was going to be like.

As Rick closed the front door, Mattie held him and kissed him and told him that he wanted Rick to fuck him...right now...Rick kissed Matt deeply as he felt him up...he love the feeling of his young son's rock hard cock. Mattie was already unbuttoning Rick's shirt.

Rick shirt fell to the floor in the foyer...followed quickly by his jeans and boxer briefs...Josh stripped Mattie...Josh pulled down Mattie's jeans revealing his beautiful young ass. Josh kiss both of his brother's ass cheeks while he reached trough and fondled his brother's young low hanging balls. Rick was still kissing Matt and playing with his nipples.

In moments there was a huge pile of clothes at the front door and the three of them were naked. Josh worked his way around so that he could reach Mattie's cute young cock and his Dad's amazing 7.5 inches. Josh went from one to the other like he was in a feeding frenzy. He had his Dad and brother both moaning...Mattie broke the kiss with his Dad to tell Josh not to make him cum...he told him how bad he wanted his father's throbbing member deep inside him.

Josh concentrated on bringing his brother to a mind-blowing orgasm. He love the thought of swallowing his brother's seed...there was something about swallowing family seed that was extra special. He was thinking about this as he felt Mattie's testicles draw up...Josh tenderly raked Matt's corona with his teeth. He kissed and sucked the tip trying to consume every luscious drop of precum his brother could produce. He loved the feeling of the spongy throbbing head of his brother's manhood. He could not wait to taste his seed...as he was thinking this he heard Mattie moan and felt his cock start to swell...Josh knew it would only be moments before his brother passed the point of no return. His father reached behind Mattie and inserted two fingers probing for Mattie's core...Rick found his son's seed swollen prostate and began to massage it...the sphincter spasms on his finger and the loud moans from Mattie, told him that Josh was enjoying a tasty gulp of family seed.

As Mattie passed the point of no return, his body was wracked with the power of his orgasm. The tension in his pelvis was almost painful. It was then that Josh cupped his tongue around the ultra sensitive side of his penis forcing the head against the ridges in the roof of Josh's mouth...it was as if everything was happening in slow motion...Mattie though he could feel each ridge and the electric shock it sent to his system. By the time his burning hot cock reached the back of Josh's throat and his father pressing on his prostate, his sweaty young body was convulsing in a massive orgasm...so much sperm was ejaculated that Josh started to choke on the volume of the salty hot boy seed that was flooding his mouth. Wave after wave of his orgasm swept over him as his father and brother continued their stimulation. Rick finger fucked him unmercifully while Josh sucked every drop of his brother's seed. Mattie was completely spent when his orgasm subsided.

Rick was so stimulated that he could not wait for Mattie's recovery. He led Mattie to the living room couch and put him over the arm of the couch...his cock left a trail of precum drool all the way to the couch. As Mattie bent over the arm of the couch, Rick rubbed his bare back and stroked his hips...Mattie was so ready for his Daddy to take him...Rick, cock in hand, lined up on the entrance to his son's boy pussy...he pressed his throbbing cock against Mattie's rosebud...he could not help it...he needed Mattie and he thrust forward...Mattie gasped in pain as his Daddy ravaged him...Rick buried his member to the hilt. He felt Mattie's spasms around his throbbing manhood. As he felt his son relax, he drew back and thrust again...Rick was so big that each thrust compressed the prostate and caused Mattie's cock to leak all over the arm of the couch. Mattie's hard young cock rubbed against the rough fabric of the couch...Rick was moaning in pleasure as the tight sleeve of Mattie's ass gave him pleasure beyond belief...he was actually going to plant his seed in his youngest offspring. That thought alone caused Rick to increase the pace of his thrusting.

Josh watch his Dad have his way with his young brother...the scene before him had him on the verge of a climax never having touched his naked cock...He could not wait for Daddy to inseminate his younger brother...he knew he had to hold back so that he could add his seed to the depths of his baby brother's ass.

Just as he was thinking that he listened to his father scream out...baby here is my seed...Rick was thrusting uncontrollably with each thrust depositing his essence deep in his son's love canal. Mattie cried out Daddy fuck me harder...as his orgasm overtook him and wracked his young body...the sound of Rick's body slapping against Mattie's ass was almost too much for Josh...Josh was trying to think of anything to take his mind off the beautiful scene in front of him.

As Rick's spasms subsided, Josh pulled his Daddy back and told him that he needed Mattie now...Josh slammed his 6" cock deep inside his brother...he was very turned on that his father's essence was his lubricant...Josh was so overcome with lust his only thought was how deep could he penetrate his baby brother.

Even though he had just cum, Mattie became raging hard again at the thought of his brother fucking his ass in front of his father. It was about then that Rick noticed the splashes of the first load of Mattie's cum on the couch...while the sight made him hard again...he wondered how he would ever get the couch clean...Rick could not get over the fact that he was watching his oldest son fuck his youngest son...their two beautiful bodies entwined in passionate love making...the sound of Josh slapping against Mattie's ass with each thrust had him going again...Rick was stroking him self off as he watched both of his boys build to another mind bending orgasm...Hearing Josh go over the edge brought Rick and Mattie both over the edge...Rick moved next to the boys...his first jet of cum landed on Mattie's cheek...the balance of his load sprayed over both boys naked bodies.

Josh thrust forward as his climax overwhelmed him...his only thought was how deep he could plant his seed...it was then that his brother's love tunnel started to spasm with Mattie's orgasm.

The smell of man sex filled the room as Rick hugged his two boys and felt the remainder of their orgasm leak down his leg as their slimy cum covered cocks pressed against him...

As he led the three of them to the shower...he told Josh that he would need to Google how to get sperm out of the couch...he knew their mother would never understand how her couch got ruined. As they washed each other they were filled with joy and love for each other. They dried each other off and fell into bed exhausted...well all except for Josh who wanted the three of them to go to sleep plugged into each other.

Rick rolled over and pressed his hard cock against Josh's love tunnel while Jose was doing the same to Mattie. Quickly they were joined in the ultimate love embrace as they drifted off to sleep. Mattie was awakened later by his brother's wet dream in his ass. As Josh's thrusts subsided, Mattie clenched his love tunnel to keep his brother's half hard cock inside him as he drifted back off to sleep.

More to come or should we end it here? [Mack1137@gmail.com](mailto:Mack1137@gmail.com)
