## **Too Old for a Babysitter – Chapter 4**

George asked Zack what he and his father did if it was just the two of them at home for the night.

“We usually watch a movie after I have had a shower”.

George asked him, “What do you wear after your shower”?

Zach told him it was usually just his PJ's.

“What does your dad wear”?

“He wears his boxers but once he wore just a towel”

“I love it when it is Dad just and me alone because he give me back rubs and stuff”.

“What other sorts of stuff does he do.”?

“He slides his hand in the top of my PJ pants and rubs my bare butt. I love it when he does that. He has even felt my hole a few times. I usually get a boner when he does that, and I have seen his boxers get real big in the front, just like me”.

George grinned and said, “Perfect. Here is what I want you to do. After your shower grab one of his clean t-shirts and only wear that. OK”?

Zach nodded “Okay”.

“Then I want you to lay on the couch with him and put your head in his lap”. George went on to explain the rest of what Zach should do.

Zach said okay, “I will do it, but why do you want me to”?

George asked Zach, “Would you like to get sexy with your Dad”?

Zach grinned a big smile, and his face lit up and he nodded, “yes”.

George said, “I think this will do it. Just be sure you wait until he gets hard before you ask the questions”.

---

That night Zach and his Dad took their shower together. Thomas washed Zach and both of them got hard cocks. Zack loved looking at his father's large cock, it looked so beautiful. They dried each other off and went into the bedroom. Since they were both in Thomas' room, he could not jack off after the shower. Thomas' cock was aching. He really needed release. Washing that hot little boy had really made his cock leak, and he wanted to cum in the worst way. But the boy was staying right with him. He thought he would tell him to get his PJ's on and that would give him some time to take care of his erection. Thomas turned around to tell Zach to go get his Pajamas on, but Zach had left the room. Thomas started to stroke his hard cock when Zack came through the bathroom door into his bedroom. He knew it would only take a few moments to produce a mind-bending orgasm, and he started to quickly turned away to hide what he was doing.

But Thomas was shocked when he looked up and saw Zach wearing one of his t-shirts that came to mid-thigh on the boy. He was too stunned to turn. Zach was watching Thomas stroking his cock and it was clear that the boy had a major boner too. This turned on Thomas even more, but with a moan he dropped his dripping dick and asked Zach if he wasn't going to wear his PJ's.

Zach said no that he wanted to wear this, as he pointed to the t-shirt and boner. His dad noticed that the saliva was heavily running in his mouth and he swallowed hard. Thomas quickly grabbed some basket ball shorts and a t-shirt, pulled them on and the guys walked out to the family room. Tented fronts leading the way for both of them.

Zach told Thomas that he wanted to watch James Bond. Zach picked it because he knew it had sexy scenes. Thomas thought they probably shouldn't watch it but if it gave the boy another boner it would be cool. They went to pay-per-view and selected it.

Zach waited for his dad to take a seat on the couch before he got next to his dad and then stretched out with his head in his dad's lap. Zach did what George told him and moved his head back so that it was resting on his dad's boner. Thomas gave an inaudible moan and bit his lip at the pleasure this brought him. Zack slid his hand part way up the leg of his dad's shorts on the inside of his thigh about an inch below Thomas' testicles. George had showed Zach just how sensitive it was to be touched there the night before and how to play with his Dad's leg to keep his dad boned up.

When Zach stretched out next to his Dad he purposely let the t-shirt slide up so that most of his hip was exposed, but it appeared just a natural movement.

Thomas was going crazy. This was a wet dream come to life. Thomas could not believe that his sexy little son was more than half naked with a boner and resting his head on Thomas' boner. As a matter of fact, if Zach keeps moving his head around when he talks to his Dad it may cause Thomas to have a massive orgasm. And then there was the boy's hand playing with the hair on the inside of my thigh, Thomas thought. He could not remember the last time his penis was this hard. He stretched out his legs and opened them a bit, making it seem like he was just relaxing. However, he really wanted to give his son better access to his stuff.

After a few minutes of watching the movie, Thomas put his hand on Zach's bare hip. Electricity shot up his arm and down into his cock and he could feel the precum run down the side of his stiff member. He lightly stroked the boy's hip with his finger tips. Doing this for awhile made him so horny his lower lip quivered. He slid his hand around the back of his son's butt. Rubbing it and kneading the upper cheek made Zack moan but Thomas hardly noticed. His hand moved down to the bottom cheek and it got the same treatment. Thomas thought his cock would grow to his naval, and it peaked out the top of his shorts. Rubbing both cheeks now, he let his hand slip into his boys crack and lightly stroke it there for awhile. When his finger rubbed against the boy's rosebud, Zack instinctively moved his ass back into the hand. He played with it for a few minutes, then brought it to his nose and smelled the sweet boi hole and then licked the smell off into his

mouth. His cock lurched and the fluid flowed from it, and he put his hand back on the taught butt. He easily was able to run his hand up the bare hip to the boy's waist. He moved his hand down on the boy's flat tummy and knew he was less than an inch from touching the tip of Zach's erection. Thomas just wanted to sit here and play with the boy's boner, but he was afraid of what the boy might say to his mother.

Zach moved his head again bumping it against the hard tool at the back of his scalp and asked his dad about something in the movie. As Thomas was ready to reply, he thought he saw movement at the window. He decided it must just be a reflection. Thomas answered Zach and in that moment slid his hand down, he decided he would take a chance and grasped the boy's erection.

Zach gasped as his dad took hold of his boner. Thomas got concerned when he heard that and quickly removed his hand.

Zach knew that George would be upset if he did not put his Dad's hand back on his boner. So he did. Zach reached up and took hold of his Dad's hand and put his Dad's hand right back on his boner. Then Zach slid his hand back up his Dad's shorts and began to lightly touch his dad's testicles. They rose up next to his cock at the sweet pleasure his boy was giving him.

Zach decided that it was the perfect time to ask the question. While his Dad lightly stroked his penis, Zach asked his Dad if he could ask him a question.

Thomas was kind of worried about what the question might be, but he said. "Yeah sure...anything".

Zach said, "Daddy I was feeling my boner the other night and it felt really good. So I kept playing with it and all of a sudden I got this really good feeling, I tingled all over and my body jerked. It felt so good. Is that OK"?

Thomas said, "That is normal Zach, most men and boys do it". Thomas then pulled up the boy's t-shirt to reveal his erection. "It is called an orgasm. Do you remember when we talked about how babies are made, I told you that a man planted his seed in a woman"?

Zach nodded, "yes," the movement putting more pleasure into his Dad's cock.

"Well, when the man puts his penis in a woman and thrusts it in and out of her vagina it feels real good and causes him to have an orgasm. It is that really good feeling and the orgasm plus the man shooting his sperm or seed into the woman that sex is all about".

Zach said, "Maybe that is what happened".

His dad said, "What do you mean"?

Zach blushed and said, “The last time I did it some white stuff came out. Does that happen to you Daddy when you play with your boner, like you were doing in the bedroom”?

Thomas just nodded...he had no idea that the boy had connected those things. Thomas was now completely out of control. He needed to make his son cum. He needed to cum. It was then he felt the boy’s hand grip the base of the shaft of his penis. Thomas gasped, but the boy was smart enough to say, “Does that feel good Daddy”?

His Dad could only nod. Zach gripped it and stroked it for a while, then much to Thomas’ disappointment, Zach pulled his hand out from the leg of the shorts, (just like George had told him too). Zach wanted to put on a good show for George and Mack outside the window.

Zach saw his Dad’s cock head peaking out the top of his shorts and he took hold of the sides of his dad’s shorts and began to pull them down. He knew that his father wanted to stop him but could not because he wanted the boy to touch him, just like George liked having Zach touch him.

The boy pulled down the front of the shorts and hooked them under his balls and began to play with his Daddy’s boner.

Thomas raised his cheeks off the couch and pulled his shorts down and he let them fall to the floor. Thomas knew that he had to convince the boy to jack him off to a climax.

Thomas lifted the boy up and stripped off his t-shirt. He knew he should close the blinds but his backyard was pretty private and he decided it was kind of cool to be dangerous and leave the blinds open.

He told his boy that he could play with his Daddy’s boner. Zach sat up and lifted up the hem of his Dad’s t-shirt and pulled it over his head so that now they were both completely naked just like George wanted.

Zach lay his head back down in his Dad’s lap staring at the wet cock just inches in front of his eyes and fully explored his penis and testicles. He saw a drop of precum and rubbed it around the head of his Dad’s cock and loved it when Thomas moaned. Zach knew this was the time to lean his head closer and rub his father’s cock against his cheek.

Thomas was moaning and had a steady stream of precum leaking all over his son’s face. Now Thomas was getting greedy. Maybe he could get the boy to suck his cock.

While Thomas played with his boy’s erection, he asked Zach, “Would you would like a really good feeling”?

Zach nodded, “Yes”, his eyes lighting up.

Thomas rolled the boy on his back, straddled his head and lowered his own head so that he could take the young boner into his mouth. Thomas knew this could turn out horribly wrong, but he just had to taste his boy's cock. The boy moaned in ecstasy, and wrapped his arms around the butt above his head. The cock tasted so sweet and a pearl of precum escaped from the boy's dick and Thomas loved the flavor. Thomas looked back and asked Zach if he enjoyed that.

The boy looked back at this father with lust filled eyes and nodded, "Yes".

Thomas asked, "Zach will you suck my dick, too"?

Zach nodded, knowing this was exactly what George wanted. As he did so, his face bumped into the dripping cock and precum ran down onto his face and some ran into his mouth. He licked his lips and swallowed.

Thomas suggested that they get on the floor where they would have more room. Thomas lay on his back and motioned that they boy should come over. He told the boy that he should kneel up by his head.

Zach moved up there and did exactly what his Daddy said. He could not wait to face fuck his dad just like George taught him. Thomas took the small boner in his mouth as he waited for the boy to begin to suck him.

Zach did not disappoint him. He took the head of his father's manhood into his mouth. Zach knew that he liked the taste of precum and it was a good thing because his dad had a lot. He licked and then sucked on the large cock in his mouth, swirling his tongue around the head. He sucked hard to get more precum into his mouth, and swallowed it greedily. He sucked so hard that his head rose up and the cock slipped into the back of his throat for a minute. Gawd, this felt so good to have his Dad's cock all the way into his mouth. The pubic hair tickled his nose and it smelled so good. Zach loved the way his Dad smelled, and he loved the feel of his cock in his mouth. He laid his head back and concentrated on sucking the swollen head with all his might. It throbbed in his hot wet mouth.

The feeling of having Zach suck his cock was so intense that Thomas almost filled his son with his seed. He was doing everything that he could think of to avoid an early climax. He wanted this to last. Thomas began to run his tongue around the base of his boy's boner and he hoped his son would do the same to his boner. Thomas was not disappointed. He felt the boy's tongue exploring the length of his rock hard penis. He was right on the edge. Thomas did not know how much longer he could last.

It was at that moment that Zach started to face fuck his father. This shocked Thomas because he didn't think the boy would know what to do. Maybe it was instinctive. His cock was entering the back of Zack's throat with each upward thrust of the boy's head. Thomas thought that the boy had a nice rhythm and he would climax with in a few minutes.

Sooner than he expected he felt Zach's penis begin to swell and his thrusting up into his Dad's warm tight mouth increased just moments before his orgasm began. Thomas was shocked when he tasted the boy's seed as it began to spew into his mouth. It was such a turn on that Thomas exploded into his son's mouth. Just as George had told him to, Zach pulled off his father's erupting cock and Zach aimed the load all over his face.

It was right then that the commotion started at the window and Thomas and Zach looked over to see two naked boys both shooting sperm all over the sliding glass door. Thomas thought for sure he was going to have a heart attack.

George opened the door and said, "Guys this is the hottest thing I have ever seen". George walked over to the naked father and son whose bodies were still entwined. George put out his finger and scraped some of Thomas' cum off of his son's face and with out hesitation put his finger in his mouth. Thomas was too shocked to speak.

George's cock was beginning to recover from his recent climax. It was starting to fill with blood and in moments he would be fully erect.

George told Thomas, "You guys put on quite a show". George knelt next to Thomas' head and leaned back on his heels for support. George wanted Thomas to get a good look at his boner before it entered his mouth.

In a matter of seconds, George was fully erect. George started playing with his boner only inches away from Thomas' face. George leaned forward and rubbed his cock against Thomas' cheek.

George look at Thomas' lust filled eyes and said, "You really want to suck it don't you Thomas"?

Thomas could only nod his head, "Yes".

George began to rub the dripping glans of his penis over Thomas lips wetting them with his juice.

George said, "Take it Thomas...you know you want it".

Thomas could only nod and open his mouth and George felt the man begin to suck his cock. When he saw that Thomas was really getting into sucking him and the boys were watching with their erections in each others hands, George told Thomas to stop sucking him and said he would be right back.

In moments George returned with a bottle of hand lotion that his used to lubricate his cock. He told Thomas to get his butt up in the air. Thomas started to protest that he didn't want to do it in front of the boys. George told him, "Don't worry about it, they have already seen you suck cock and shoot your load on and in your boy's mouth".

Thomas was a little slow getting on his hands and knees. George slapped his ass to get him moving. George lubed his hole and plunged his cock deep in Thomas' ass. With no stretching there was considerable pain. Thomas cried out as he felt George's cock plunge to his core.

George wasted no time getting a good rhythm going. George was so turned on by the situation he knew that it would only be a few minutes before he filled Thomas' ass with his cum. While Thomas had daydreamed about the young boy fucking him after he saw him in a towel, he was not prepared for the reality of being fucked in front of his son and his son's best friend. In spite of the humiliation, the pounding of his prostate was causing pressure to begin to build in his loins. The pain had turned into intense pleasure and he could not believe it but he was sure he was going to cum with out ever touching his cock. His whole body was shaking from the electricity being pounded into his hole. He knew he wanted this again and again.

After a few minutes of wild thrusting, George cries out, "I'm gonna cum in your hot ass, man take my seed, take my baby makers". George's hips were a blur as he brought himself to a climax in Thomas' ass. Thomas felt the boy's cock swell just before his orgasm. It made it hurt even worse but it was a hurt/pleasure he couldn't get enough of. Then Thomas heard George grunting, as he pumped load after load of cum in his ass. The pounding of his prostate and the wild sexual situation was enough to make Thomas fire a load of his man seed all over the carpet. He thought the top of his head was going to come off, as his handless orgasm took control of his whole body and it spasmed its whole length

As George's climax subsided he pulled out of Thomas' ass and told Mack that he needed to mount up.

Mack was fearful of his next door neighbor's reaction, but of course George would not take no for an answer. George pulled Mack over and lubed his cock and he helped the young boy line up his cock. George gave the boy's hips a push that drove the boy's cock to the hilt in Thomas' tender ass. Thomas sighed in pleasure as the boy cock penetrated him.

Mack didn't hesitate once he had fully entered Thomas. He began to thrust until his hips were a blur. He was so turned on by fucking his friend's father he only lasted a few minutes, and he blasted a hot load of boy cum deep in the man's ass. Thomas felt the boy cock swell in his tight sphincter, and loved the feel of the warm fluid jetting into him.

George pulled Zach over and told him he was next. Zach really didn't want to fuck his father. But once George helped him penetrate his father, he could not stop. He had just cum a few minutes before but he was hot and horny again and needed to cum. He grabbed his Dad by the crease where his hips met his six pack and pounded into him as hard as he could. His balls were slapping into his Dad's balls and his pubic hair smashed into the cleft at the top of the tight ass. He fucked the tight hole as fast and hard as he

could while his Dad moaned and thrust back in sync. Zack groaned back and bit his lip as he felt the juice raise up in his balls. Thomas thrust back hard, wanting the boy's cum in his ass, and like Mack, Zach did not last very long. He was soon climaxing and depositing a small amount of seed in his Dad's ass. Thomas knew he would forever like a cock stuck up his ass.

While Zach was riding his father George had walked around and had Thomas begin to suck his cock. George was super turned on by the situation and it didn't take but a few moment of being sucked for him to deposit a load and Thomas' mouth.

When Thomas finally stood up he had cum leaking out of his ass and down his thighs as well as down his chin and he was sweating profusely.

George told him that he is really hot and he is looking forward to doing this again soon...With that George walked out the cum covered sliding glass door into the night with Mack under his arm. Both boys were still naked. Their hot asses looked so good.

Zach looked at his father and said that was really hot Daddy. I loved sucking and fucking you. Can we do that a lot?

More to come...
