Louise TV (11/21/2007 11:40:06 AM): Hi Mistress. Let me know when you are online and i will tell you everything about my weekend adventure.

...

Louise TV (11/22/2007 6:23:38 AM): Hi Mistress.

Louise TV (11/22/2007 6:24:49 AM): are you there darling?

Louise TV (11/22/2007 6:30:23 AM): I have to go to bed now darling, I desperately need a couple of hours sleep... the guy who's house I went to on Friday night has been fucking me like crazy - I went back there on Saturday night and stayed all Sunday and finally got back early Monday morning...

Louise TV (11/22/2007 6:32:24 AM): and i have been going there every evening this week, spending the night with him and then leaving at around 6 am - I think I must have about a litre of his cum inside me with the amount that I have swallowed or that he has pumped into my ass!!!!!!!!!!!!!!

Louise TV (11/22/2007 6:34:05 AM): and he has arranged for me to be used by two of his friends again this cumming Friday night (same two as last Friday).

Louise TV (11/22/2007 6:34:24 AM): soooooooooo tired, goodnight Mistress.

V Brun (11/22/2007 6:49:33 AM): did you come dear?

Louise TV (11/22/2007 2:40:05 PM): It's really strange, something that has never happened before - when this guy fucks me (and as i said he's been doing it LOTS), I don't ejaculate but feel exactly like I'm having a huge orgasm inside. I can't really explain it. Last Friday night when he fucked me with two of his friends he used a condom, but from last Saturday onwards he hasn't (he showed me a copy of his recent health check certificate) so I wonder if it that has anything to do with it? it's a very intense and incredible experience for me and to be honest I love being so totally used night after night.

Louise TV (11/22/2007 2:54:30 PM): Mistress just received an sms from him saying he can't wait to see me this evening and that he misses me lots... and that one of his friends will be coming round this evening for a drink... and that it's me who'll be doing the drinking!!! He says it really turns him on to watch me sucking and being fucked by other guys because it makes him feel so jealous and so desperate to have me himself!!!!!!!!!!!!!!

V Brun (11/22/2007 10:33:15 PM): You lucky naughty slut! Enjoy!...

V Brun (11/22/2007 10:34:16 PM): BTW the orgasm you experienced was from direct stimulation of your prostate i.e. us men G-spot... pretty cool uh!

...

Louise TV (11/23/2007 5:08:28 AM): I've never known anyone be so desperate for me - I had gone over to his house straight after work and just finished getting dressed and made up when his friend arrived - my guy's name is John by the way, I ended up kneeling on the floor, hands tied behind my back and ankles bound first being french kissed by his friend and then sucking off his friend and swallowing all his cum. His friend had to leave almost as soon as he had cum to get back to his wife, but as soon as he had gone John pounced on me and fucked me on the floor while I was still tied up and pumped what felt like a gallon of cum into me and later on in bed he fucked me a second time.

Louise TV (11/23/2007 5:15:17 AM): Darling I have been screwed so much this week, my nipples are tender from all the sucking and biting they've received and I've got several love bites on my shoulders and neck and i've lost count of the number of times someone has cum in my mouth or ass. The trouble is, the more he fucks me the more i want it and i know i'm going to be so sad when his wife comes back and this almost continuous period as Louise comes to an end. I really enjoy being dressed as louise all weekend and sleep as Louise with a guy - and i adore being fucked by John or taking him orally quite apart from the added bonus of being fucked by his two friends which he wants me to do because it turns him on so much to watch being with a cock in my mouth or with my legs spread and a guy's cock pumping in and out of my ass.

Louise TV (11/23/2007 5:18:57 AM): oh, it's an incredible experience it's happened almost everytime he fucks me and I just completely loose control of myself when it happens, but funnily enough it doesn't happen when either of his two friends fuck me no matter how long or hard they fuck me or what position I'm in and one of his friend's definitely has a bigger cock than him.

Louise TV (11/23/2007 5:21:45 AM): I absolutely have to go to sleep now - he's told me i'm going to be entertaining both of his friends again this evening and i will be staying all weekend at his place. Goodnight Mistress.

Louise TV (11/23/2007 10:48:14 AM): Hi Mistress. Just received an sms from John which reads "woke up this morning and found my bed empty, missing you and feeling horny, can i see you at lunch time?". Actually it's physically impossible for me to get to his place and get dressed and made up then back to work afterwards during my lunch break, so i've just sent him the following reply....

Louise TV (11/23/2007 10:54:30 AM): "No darling, you are just going to have to wait until tonight and you are going to have to wait your turn because you can't have me until I have been totally fucked by David and Steve (his two friends)... you know how much i love their cocks inside me, and darling tonight I'm going to beg them to fuck my ass without using condoms because i want to have all their delicious sperm deep inside me

and ONLY then can YOU fuck me darling.... and it's such a pity you don't have more friends you could invite over for me to suck off or spread my legs for!!!" He will be so jealous, I can't wait to see his response.

Louise TV (11/23/2007 11:03:45 AM): Just got his reply "You are such a slut, I thought you were falling in love with me, do you really think you could manage three other guys for me???" - The reply I've just sent back is " To answer your three points darling, 1) yes I am! 2) Yes I definitely am 3) If you can arrange it, then yes!!!"

Louise TV (11/23/2007 11:10:30 AM): The trouble is I find myself thincking about this guy all the time, stupid of me I know, but as Louise I feel totally femme and he really does treat me just as a female, whether I'm being a slut and he's fucking me on the floor of the kitchen, or i'm tied to the dining table and he's practically raping me or it's the middle of the night and i'm curled up in his arms in bed.

Louise TV (11/23/2007 11:19:44 AM): His sms answer has just come back "1) You know that is exactly how i want you don't you? 2) Are you being serious and honest? 3) Would you really do that for me?" - Here goes with my answer "1) Yes I do 2) Yes I am 3) Yes i would". - I hope my answer to 2) doesn't put him off and I almost regret telling him now... ok, i know, i'm being REALLY stupid... must be because i'm blonde! Ok Mistress, have to go now, bye darling.

...

Louise TV (11/24/2007 4:01:29 AM): It's 4 am, John's asleep and I'm using his computer - hope he doesn't wake up, but I had to tell you about this evening!

Louise TV (11/24/2007 4:10:21 AM): Straight after work I went to John's house (he's given me a key temporarily so i can let myself in and get made up and ready before he gets back from work). I'd just finished getting ready when John arrived, he asked me if I'd been serious when i said i was falling in love with him so I said yes and hoped that he didn't mind. Anyway it turns out that he's really happy about this - must think I'm so stupid though! I was so desperate for him that i tried to unzip his trousers, but he wouldn't let me.

Louise TV (11/24/2007 4:13:35 AM): Instead he pulled me over to the dining table, bent me face down width ways across it, took his belt and looped it twice round my neck to form a collar then proceed to tie me up, legs spread ankles tied to two of the table legs, wrists tied behind my back, then a rope through the collar and tied to somewhere under the table so basically i couldn't move. And then he left me there like that..... for ages!!!!!!!!!!

Louise TV (11/24/2007 4:16:34 AM): Eventually (I guess it must have been at least half an hour) the doorbell went and i heard voices so I knew it was his two friends. i'd got beyond the excited stage and was now bored and angry so when his friends came in I was determined to get my own back on John.

Louise TV (11/24/2007 4:26:13 AM): When they saw me they both got undressed, John was still dressed and getting some drinks, so i decided to make him really jealous. One of the guys is really well endowed and in no time at all his cock was in my mouth and getting really big and hard as i licked and sucked it. When he stood aside to let the other guy get to my mouth I started saying really slutty things like "oh god darling your cock is beautiful, I want it so much, please darling fuck me without a condom, I want all your sperm inside me, please fill me i'm begging you" and so on, knowing that John could hear me!

Louise TV (11/24/2007 4:31:53 AM): He (Steve) said your joking but i replied no, really i'm safe and i want your seed inside me so badly please please darling, cum in me, c'mon fuck me now.... and so he did! i let him fuck me really hard and i was very vocal saying how incredible he was and how much i want his cock in me and then i couldn't say any more because the other guy got his cock into my mouth and started wanking himself off.

Louise TV (11/24/2007 4:38:38 AM): Out of the corner of my eye i could see john watching, not able to do anything and looking so jealous. Steve was fucking me so deep and hard that it was everything i could do not to accidently bite the cock in my mouth and I soon had a jet of hot cum spurt into my mouth as the other guy came. and when steve came it was like being fucked and filled by a bull. After he had finished and pulled his limp cock out i could feel his sperm trickling down my thigh and soaking the tops of one of my stockings.

Louise TV (11/24/2007 4:41:37 AM): But of course the mistake I made was that they didn't untie me - they finished their drinks, got dressed and left - leaving me still bound to the table and now at the mercy of a VERY jealous John.

Louise TV (11/24/2007 4:47:10 AM): who proceed to whip me with a belt hard until i genuinely begged him to stop - and then he fucked me..... HARD.....

Louise TV (11/24/2007 4:58:41 AM): and i had a HUGE internal orgasm, as he was cumming inside me! Only afterwards did he then untie me and took me to his bed.

Louise TV (11/24/2007 4:59:03 AM): and now i shall go back to him. Goodnight darling Mistress.
